STARTUP ECOSYSTEM

NITDA SRAP 2021-2024

CYBER SECURITY

Cybersecurity is the 5th strategic pillar of NITDA SRAP to increase Nigeria's Cyber Resilience, an ingredient of Robust Digital Economy

NITDA CYBERSECURITY INITIATIVES AND PROJECT

Protection of information, service protection, Cybersecurity Awareness, Dark Web Monitoring

Building trust and confidence from customers and stakeholders by promoting resilience

Confidence in compliance to regulations and Strong competitive advantage

Our CERRT Response to security incidents in an effective and efficient way

- Over 1500 credentials discovered on the dark web
- Key cocreator of National CSP&S 2021

NITDA SRAP 2021-2024

EMERGING TECHNOLOGIES

The 6th strategic pillar of NITDA SRAP
to strengthen Nigeria's Digital
Ecosystem

OUR SUBSIDIARY, NCAIRS ADVANCING NIGERIA'S FRONTIER ON EMERGING TECHNOLOGIES

AI Policy sandboxes
Blockchain Policy

NITDA SRAP 2021-2024

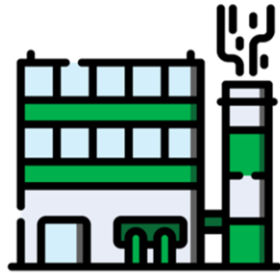

PROMOTION OF INDIGENOUS CONTENT

The 7th strategic pillar is to strengthen Nigeria's Indigenous Hardware, Software Ecosystem to create job and reduce import of IT products and preserve Fx

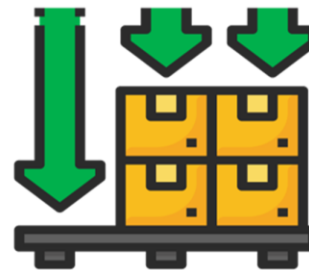

OUR SUBSIDIARY, ONDI, IS TASKED WITH PROMOTION OF INDIGENOUS CONTENT ADOPTION IN ICT

Conducts surveillance of advertised IT Projects of FPIs to ensure compliance with local content

Enforcement of Executive Order 003 through IT Clearance

2021

- 258 IT Project Cleared
- 190 mandated for local content

2022

- 241 projects Cleared
- 184 mandated for Local content

Our targets

1. To develop regulation that support,unlock or enhance opportunities to enable market creating innovation.
2. To increase the number of Digital literacy and skills.
3. To enable digital transformation of public and private sector.
4. To foster innovation & entrepreneurship for jobs and Economic Dev.
5. To reduce system vulnerability exploitable by threat actors.
6. To address socio-economic challenges with Emerging Technology.
7. To increase consumption (and value) of indigenous IT content.

An ecosystem approach: We seek Partnerships and Collaborations

Thank you
