### **President's Address**

The President read his address to the House. Highlights of the address were:

**i. Engagement and Relationship with Government:** The President asserted that NCS would continue to build a strong relationship with the Government.

**ii. Secretariat and Administration:**

The President stated that NEC has instituted policies and procedures that will enhance the arrangements on staff recruitment, retention, and progression.

The staff handbook has again been reviewed and updated to support improved performance by staff and the application of appropriate disciplinary procedure.

The President informed the House that the Executive Secretary, Mr. Iyiola Ayoola, would retire on 30th September 2022. In view of this, he added that new Executive Secretary (ES) – Mr. Olusegun Adekunle, has been employed. He would commence work as the ES of NCS with effect from 1st October 2022.

**iii. Advocacy, Publicity and Visibility:**

The President added that National Executive Council (NEC) constantly and proactively responds to national issues on Information Technology through regular media engagements. The NCS website remains robust and dynamic, with memories of past events detailed on NCS website. He added "NCS is more active on social media handles (e.g. WhatsApp, Facebook, Instagram)"

**iv. Financial Management:**

Better budgeting and cost management processes are in place enabling us to run the society without debts due to prudent management of resources, he informed. He stated, however that NCS remains limited in terms of securing sufficient funding for some activities and projects. He appealed to individuals and organisations for continued support of NCS. "We shall continue to work towards an effective and efficient financial management of the society", he reassured.

**v. Rebranding:**

The organizations of Conferences and NITMA have been improved significantly, he stated and added that all NCS programs are making significant impact in the society.

**vi. Repositioning Chapters:**

The President commended the NEC, especially zonal coordinators for working so hard in making all chapters active and vibrant. He appreciated all the chairmen and leaders of various chapters for their great work.

**vii. Membership drive and Collaboration:**

The President asserted that membership drive remains one of the cardinal agenda of the current administration. He stated that NCS has reached out to individuals, corporate organizations and MDAs for membership and collaboration. The effort is yielding results as more individuals and organizations are now willing to associate with NCS, he stated.

**viii. Relationship with NACOS:**

The President stated that NCS has repositioned National Association of Computing Students (NACOS) for better recognition and more engagement within the public.

**ix. Innovation, Research and Development:**

The President informed that NCS Tech-Innovation Development Programme sponsored \_\_\_\_\_ by the founder of Zinox Technologies Ltd, Chief Leo Stan has commenced.

**x. NCS Building:**

On the Building project, he stated that NCS has reached another remarkable stage on \_\_\_\_\_ the building, having completed the fifth floor roofing, and the block setting. The building levy, Internal Generated Revenue (IGR) and huge additional support received from NITDA were judiciously used to attain this milestone. He appreciated NITDA for continuous support of this project.

**xi. Education and Scholarship:**

The President informed all stakeholders that many educative and educational workshops were introduced, which include: e-Health, IT Education, e-Learning, IT Business and so on. He charged members to attend NCS workshops for their professional development.

**xii. Ethics and Disciplinary Issues:**

He stated that there is a need to review the Code of Ethics for modern ethical and professional conduct of members.

**Conclusion**

He concluded his address by thanking the elders, fellows and all members of the society for their unwavering commitment and sacrifices at all times. He also appreciated all partners and collaborators for ensuring continued existence of the Society.

The President thereafter invited the Executive Secretary to present his report

2022/08/06

**Executive Secretary Report:**

Mr. Iyiola Ayoola, the Executive Secretary presented his report as contained on pages 24 - 64 of the AGM report. The summary of the report were:

- 1) NEC meetings and attendance scorecard.
- 2) NEC Committee reports
- 3) States chapter's reports
- 4) Interest Group report
- 5) Advocacy report
- 6) NCS Centre of Excellence – Building project
- 7) Constitution Amendment

Thereafter, the President sought permission of the House to suspend discussions on the above report till after the External Auditors' presentation. The request was granted.

2022/08/07

**Audit Report**

The Chairman, Audit Committee invited Mr. Wilson Awharintefe, the Managing Partner of Wilson Awharintefe & Co to present the report, which he did.

The Chairman Audit Committee, Mrs. Shulammitte Ilebiyi read Audit committee report. She went through the account with clear narration/explanation on the financial position of Society as at 31 April 2022.

The President called for the adoption of the Executive Secretary and Auditors' reports.

Mr. Mohammed Abubakar (MRN 10249) moved a motion for the adoption of Executive Secretary report and this was supported by Mr. Olatunde Tlajani (MRN 08980).

For Audit report, Ms. Mariam Chukwuemeka (MRN 04687) moved a motion for the adoption of the report and was seconded by Mr. Michael Adeyemi (MRN 08840).

2022/08/08

**Discussion/ Comments on the two reports.**

- 1) Mr. Bature M.S (MRN10043) commended NEC for being transparent and prudent on the report presented to AGM and charged them to continue in the same way. He encouraged Council to find other means of getting funds to execute NCS project. He advised NEC to honour the existing donors in order to motivate them.
- 2) Prof. Olatunji Okesola (MRN 01492) commended NEC especially on the rapid progress of the NCS building project. He charged the team to do more on NCS-Jim Ovia scholarship, which was scholarship and employment opportunity to the beneficiaries. He pondered why none of the awardees had benefited from job opportunities.

The President appreciated his concern on this and pledged that NEC would look into this.

- 3) Mr. Wasiu Kailani (MRN 07110) opined that the External Auditor should excuse AGM after his presentation.

Mrs. Shulammitte Ilebiyi responded that it is a custom that External Auditors should be on ground when discussing audited financial report. Mr. Kailani ended his

comment by charging NEC to follow up on scholarship beneficiaries on their academic performance.

- 4) Mrs. Muibat Aribidesi, (MRN 01693) expressed her concerns on scholarship awardees. She opined that the ES report should capture name of scholarship beneficiaries/awardees. This is the best practices, she asserted. On conference, she commended the professional touch on the event activities. She however opined that there were many papers scheduled for presentation. She called for reduction in the next conference.

The President responded that are observations are noted for action

- 5) Mr. Lookman Bayero (MRN 11250) suggested that conference registration fee should be reduced to encourage more attendance. On Whizkid competition, he advised that there is a need to have a customized software for the competition.

**Response:**

- i. The President responded that NEC would look into conference registration fee.
  - ii. On 2022 Jim ovia scholarship edition, President informed the House that the awardees list was not yet out due to ASUU strike, which prevented some applicants from submitting the required documents. On Whizkid competition, the Chairman, Education and Manpower Development Committee, Dr Florence Babalola responded that state chapters are responsible in handling Whizkid competition at state level. The President added that NCS has acquired a tool for Whizkid competition.
- 6) From online comments, Prof. Charles O. Uwadia (MRN 01538) congratulated NEC for successful 2022 conference. He noted that quality papers were presented. However, time management should be looked into. He asserted that Conference Committee team should be conscious of time management.
- 7) Mr. Abubakar Idris Muhammed (MRN 13575) charged that NCS should play a significant role in ensuring that members gain employment opportunity in civil service.
- 8) Prof. Adenike Osofisan (MRN 00403) noted that Executive Secretary report did not mention the donation of College of Fellows.
- 9) Mr. Samuel Babatunde Ezichi (MRN 00013) stated that some NEC members scored 0% in NEC attendance, while some scored 100%. He wanted NEC to look into this.
- 10) Dr. Abimbola Salako (MRN 00024) opined that NCS should have an employment portal, where scholarship and other related matters would be announced.

	<p>11) Alhaji Ogunneye (MRN 00440) commended the President and his team for a good work.</p> <p>12) Mr. Chijioke Eke (MRN 01679) hinted that online participants have limited facilities to participate actively in the conference. However, he commended NEC for a good work.</p> <p>The President appreciated Mr. Chijioke Eke and Sidmach Technologies Ltd for continued support to NCS.</p> <p>The President expressed his disappointment at the low attendance of some NEC members at NEC meetings, stating that it was unfortunate that people chose such positions but did not fully commit themselves to the responsibilities.</p> <p>The President, Prof. Adesina Sodiya promised that the Society would continue to move forward and stated that all suggestions and comments were duly noted.</p> <p>13) Mr Kole Jagun MRN commended NEC, past presidents and staff for job well done on the conference and AGM.</p>
2022/08/09	<p><b>Motion for appointment of Auditors.</b></p> <p>The President informed the House about the request of External Auditors to increase the Audit fee from ₦400,000 to ₦500,000.</p> <p>Thereafter, Mr. Adebayo Adegbiyi (MRN 02016) moved a motion for the renewal of the appointment of Wilson Arwthevefe &amp; Co. as external auditor for another year. The motion was seconded by Mr. Wasiu Oloyede (MRN12477)</p> <p>The House approved the increment of Audit fee and re-appointment of Wilson Arwtherefe &amp; Co. as external Auditors</p>
2022/08/10	<p><b>Constitution Amendment:</b></p> <p>The Chairman, Ethics &amp; Disciplinary Committee Dr. Charles Onyeukwu was requested to present the aspect of the constitution that required amendment.</p> <p>Mr. Samuel Ezichi, Past President raised a point of order. He requested that the procedure for constitution amendment as enshrined in the constitution should be read out to the stakeholders. Mr. Adebayo Adegbiyi (MRN 02016) stated that constitution made it clear that stakeholder should be adequately informed prior to the AGM.</p> <p>The Executive Secretary, Mr. Iyiola Ayoola informed the House that information was sent to all members on this. Some members denied receiving the information on constitution amendment.</p> <p>Mr. Z. B. Tizhe (MRN01053) Provost, College of Fellows said the Constitution empowers the College to advise NEC. He advised that Constitution Review Committee be set up for</p>

	<p>a holistic overview of the constitution. He advised that members should be drawn from Interest Groups, while the President removed himself from the committee.</p> <p>The President appreciated the Provost for his advice. He requested the ES to send out the constitution to all stakeholders for an online EGM to be held in the next three months.</p> <p>Mr. Adebayo Adegbiyi moved a motion that constitution review committee be set up.</p> <p>Mr. Kailani Abdulwasiau moved another motion for Extra- Ordinary General Meeting (EGM)</p> <p>Dr. Adewale Salami (MRN 11853) seconded the motion that the EGM be held in the next three months to review certain aspect of the constitution.</p> <p>Mr. Adebayo Adegbiyi withdrew his earlier motion for holistic review of the constitution.</p>
2022/08/11	<p><b>Venue of the next AGM</b></p> <p>The President informed the House that Bauchi state government has expressed interest to host 2023 conference. Members opined that safety and protection of members should be given priority in determining hosting state.</p> <p>The President assured members that Bauchi State is safe and good to host 2023 conference.</p> <p>At this stage, the President invited the Bauchi state Chairman to receive hosting flag, with the presentation done by Mr. Tunde Ezichi, NCS Past President.</p> <p>On behalf of the Bauchi State Government, Mr. Babayo Abubakar Munkaila, Director ICT, responded that the government is happy and ready to host the next year conference. He supported the President’s remark that Bauchi is safe for all.</p>
2022/08/12	<p><b>Closing:</b></p> <p>Mrs. Ola Owolabi (MRN 01333) moved a motion for the adjournment of 2022 AGM and this was seconded by Mrs. Samotu Adejoke (07861).</p>
2022/08/13	<p><b>Closing prayer:</b></p> <p>The Annual General Meeting rose at 4.30pm after a closing prayer by Engr. Femi Williams. (MRN 02078)</p>

## PRESIDENT'S AGM REPORT

**PROFESSOR ADESINA SIMON SODIYA, FNCs**  
**PRESIDENT, NIGERIA COMPUTER SOCIETY (NCS)**

## President's AGM Report

It is indeed remarkable for me to welcome all our valued and distinguished members to the 2023 Annual General Meeting (AGM) of Nigeria Computer Society (NCS). I thank Almighty God for bringing us together once again to discuss the activities and growth of our dear society.

For the past one year, this National Executive Council (NEC) continued to put the society on the pedestrian of growth and development. This NEC remain committed to repositioning and refocusing NCS. We have been committed to enhancing members' interests and bringing all Information Technology practitioners under the umbrella of NCS. Indeed, the activities of the 15<sup>th</sup> National Executive Council have centered on improving the image of this society.

Distinguished Ladies and gentlemen, I wish to present the summary of the activities of this NEC in the last one year as follows:-

- a. **Advocacy, Publicity and Visibility:** After a long time, a unique calendar and an introductory flyer were produced last year to further enhance the image of the society. These items have been widely circulated across the country.

We have redesigned the website of the society to showcase all the programmes and activities of the society. There have been significant improvement in content, quality and ease of navigation. This is a continuous process and I want to appeal to members to regularly visit the website for their evaluations and feedbacks. The monthly e-Voice magazine has been so regular to provide information about activities of the society and national news on information technology. We shall continue to make it more informative and educative.

Media engagements have been stepped to enhance the visibility of the society and respond national issues on Information Technology. The social media has been used more than before for enhanced publicity and engagements. The society's social media handles are are very active.

- b. **Finance & Administration:** As a standard requirement, the auditor's reports of the society are now available online for the first time. The budgeting system and prudent financial management of this administration are still in place. We have continued to improve on the operations of the secretariat for better performance by providing necessary tools to support administrative and technical services to staff. Indeed, the secretariat is looking like a standard office and very conducive to work.

The new NCS Salary structure developed by this NEC has been fully implemented. A performance-based promotion and annual increase has been enforced. Now, secretariat staff are now upgraded as at when due. Staff now benefit regularly from loans as established in the reviewed handbook.

The cost of running the secretariat is rising daily because of the current economy realities. Since the last increase in the cost of PMS, we have approved two days' work-from-home for the secretariat staff to reduce their financial burden. The huge subscription debt is still there. As at today, the total subscription is place at about ₦ 500M. We have taken some measures to reduce this huge amount. The handshake between the portal and the accounting system has now been completed. This will really improve the financial management system of the society. It is obvious that we will be needing a professional accountant at this time at the secretariat.

- c. Engagement and Good Governance:** In the last one year, we have provided necessary supports to government activities in the area of IT development. Currently, NCS members are serving in many government committees and this continue to enhance NCS relevance in the IT ecosystem. Recently, we have had meaningful and successful interactions with National Information Technology Development Agency (NITDA), National Identity Management Commission (NIMC), Economic and Financial Commission. Nigeria Financial Intelligence Unit (NFIU), Galaxy Backbone Plc., Federal Inland Revenue Service (FIRS), National Communication Commission (NCC), National Population Commission (NPC). Head of Service of the federation (HoS), etc. We are still expecting response to the proposal submitted to INEC. This administration has also participated in many events organized by government agencies and other organisations.

Some other areas of engagements within the last one year are:-

- Successfully challenged the proposed amendment to NITDA bill
- Advised NDPB on the need to have IT professional on its board
- Requested TETFund to include more IT professionals on their national committees
- Advised INEC on the 2023 elections
- Requested to be members of national committees of TETFund
- Initiated collaboration with EFCC on how to fight cybercrimes
- Advised the new government to appoint known IT professional as minister of Communication and Digital Economy
- Advised the new government to appoint known IT professional to boards of NDAs
- Made proposals to government on how technology can be used to solve national security challenges
- Sent proposals to government on how IT can be used to enhance national development
- Presented a proposal to INEC on collaboration on a more efficient e-voting system
- and so on.

- d. Repositioning Chapters:** Today, I am really proud that we have active chapters in all the states in Nigeria. In the last few years, we have worked so hard to develop chapters and

bring them very close to the National Executive Council. Chapters have become reliable pivots of the society, helping us to take charge of IT Development in their various states. We shall continue to support chapters and always accord them the necessary recognitions. Let me use this opportunity to sincerely appreciate all our chapters' chairmen for their commitment, compassion and unparalleled love they have shown in the last one year.

- e. Membership drive and Collaboration:** One of the major goals of this administration is to run an inclusive and robust society. We have been encouraging many individuals and corporate organisations come under the umbrella of NCS. With over one thousand (1000) membership application yearly, it clear that our membership strategies are really yielding results. We have also instituted a unique corporate culture that is designed to enhance members' satisfaction and create more benefits for our corporate organizations.
- f. NCS/CPN Relationship:** NCS and CPN had harmonious relationship in the last one year. We have joined forces together in realizing the statutory mandates of the two bodies. We are working together on skill development, membership registration and general regulation of the IT industry. I wish to use this opportunity to appreciate the current President and immediate past President and Chairman of council (CPN) for thier unalloyed support to Nigeria Computer Society.
- g. Relationship with NACOS:** We now have enhanced relationship with the student wing. I wish to inform you that the president of NACOS now sit on the NEC of NCS as obserer as required in the constitution. We have participated and supported some NACOS programmes in the last one year. We shall continue to do our best to promote and support NACOS activities and programmes.
- h. Innovation, Research and Development:** The NCS Technology Innovation Development Fund (NIDF) introduced three years ago to provide support for young innovators, startups and researchers in the field of Information Technology/Computer Science is still on course. We have been using the fund to run the Technology Innovation Development Programme of NCS. On behalf of the society, I wish to appreciate Chief (Dr.) Leo Stan for providing the seed fund for the programme. The first set of innovative solutions from the TIDP was launched on the 14<sup>th</sup> July, 2023. The second edition of the programme has commenced with another four innovative ideas.

We have never failed at publishing the yearly editions of our journal as scheduled. The journal distribution strategy adopted has made NCS journals to be available in the libraries of many institutions. We now have now profiled the contact information of Librarians of most tertiary institutions in order to foster better relationship and ensure wider distribution of NCS journals. We have also initiated efforts toward indexing the two

journals of the society – Journal of Computer Science and Its Applications and Journal of Information Security, Privacy and Digital Forensic.

Some of you must also be aware that NCS now has a Digital Library that is hosting all our previous and current journal articles and proceedings. This is one of our promises to members and we have been able to realise this. Members can now have free access to e-copies of all articles published by NCS.

You will recall the current NEC has also introduced two annual major events;

1. Artificial Intelligence and Robotics Summit: Two editions have been held. We appreciate Nasarawa and Plateau State chapters for facilitating these. We also wish to thank the governors of two states for their huge donations towards the success of the two events.
2. Cybersecurity Forum and Workshop: Three editions have been successfully executed. The major sponsor of this event has been Federal Inland Revenue Service (FIRS). We appreciate the current chairman of FIRS for the constant support.

We have two new partnerships on innovation and Research:

- a. World Bank: Establishment of Innovation Hubs in Nigeria. This will kick-start with Edo State
  - b. Bill & Bellinda foundation and OctaveAnalytics: Collection and utilization of geospatial data in Nigeria
  - c. Tetfund: Involvement of members in Tetfund Research committees
- i. NCS Building:** Work is still ongoing on the NCS Centre of Excellence (building) in Lagos. Roofing, cementing and skidding have now been completed. The major determination of the present NEC was to complete the building. We still need about ~~N~~450 million and I believe that the new NEC will rise up to the challenge. I therefore appeal for the support of notable individuals and organizations to complete the building in due course. The Chairman building committee will be presenting a comprehensive building committee report at this meeting.
- I wish to mention here that the CEO of Smartcity Resort Centre, Mr. 'Demola Aladekomo, has given NCS some plots of land at his smartcities in Ibadan and Osogbo. We appreciate his so much for this gesture.

**j. Education and Scholarship:**

The 2023 Wizkid and tertiary competitions have concluded. The winners have been announced and adequately rewarded. Our collaboration with Cisco and Oracle Corporation to provide modern skills in coding and other emerging technologies to

members of this society is still on. We have scheduled other set of training programmes towards the end of this year.

We discovered that this country still needs more practical professional software engineers to support the implementation of creative ideas and enrich the fortune of this nation. It was also discovered that the few software engineers we have are leaving this country for greener pastures in abroad. Consequently, NCS and CPN have established Code for Prosperity Academy (CfPA) for the making and development of professional software engineers/ application developers needed for building world class innovative solutions. The academy is expected to start full operation in the next one month.

One of the major goals of NCS is to develop Computer Science / Information Technology education at all levels. Apart from the Wizkid national competition, NCS had no nationwide educational programmes for pupils in secondary schools. The TechMind educational programme initiated about three years ago was finally launched on the 20th March, 2023. The aim of the programme is to provide basic skills for kids and pupils in coding and robotics. TechMinds programme was designed to be implemented at level of chapters. We expect chapter chairmen to lead the full implementation of this programme in their states.

I wish to inform AGM that we are yet to receive the 2023 scholarship fund from Jim Ovia Foundation because the process is yet to be completed. We are sure that the fund will soon be released. We thank Chief Jim Ovia for constantly providing the fund in the last seven years.

**k. Board of Trustees:** I wish to inform you that the National Executive Council (NEC) has almost concluded the appointment of board of trustees of Nigeria Computer Society as required by law. The last constituted Board of Trustees of Nigeria Computer Society (NCS) is no longer valid and unacceptable by Corporate Affairs Commission because it was done over twenty years ago. This has also affected the status of NCS with CAC and ability to have meaningful relationships with other organisations. Last year, NCS status with CAC was made inactive because of the issue of board of trustees and inability to file in returns several years ago.

The list of BOT members approved by NEC are:-

1. Mr. Tunde Ezichi
2. Senator (Prof.) Iya Abubakar
3. Prof. (Mrs.) Adenike Osofisan
4. Chief (Dr.) Leo Stan Ekeh
5. Sir 'Demola Ben Aladekomo
6. Engr. Abdulahi Sule

7. Prof. Tanko Ishaya
8. Prof. (Mrs.) Stella C. Chiemeke
9. Mr. Kazeem Tewogbade
10. Prof. Adesina S. Sodiya
11. Mrs. Rakiyat Mohammed

We shall be presenting this list for ratification of the AGM today.

- I. Ethics and Disciplinary Issues:** It is important I remind you all that professional ethical conducts and issues of disciplines among members are critical to growth and image of our society. We have all noticed the high level of unethical conducts and unprofessional attitudes displayed by some of our members. I am sure that the new NEC will continue to take necessary disciplinary actions against erring members.

The newly reviewed Code of Conducts of the society was approved at the last EGM. It is available on the website and very necessary for members to get familiar with its content. Some members are still forgetting that this is a professional association and they subject themselves to some ethical guidelines.

I wish to inform members of the criminal issue that NEC dealt with few months ago. A member from Kaduna State, named Mr. Aliyu Musa Aliyu, with MRN 09784, forged NCS certificates for two corporate organizations. Based on recommendation of Ethics and Disciplinary Committee, Mr. Aliyu Musa Aliyu has been suspended as a member of Nigeria Computer Society indefinitely.

**m. Election and Transition**

This current NEC is coming to an end in the next one month. We have carefully followed our laws on transition to conduct free, fair and creditable election. NEC has provided the electoral committee with the needed resources and supports for smooth conduct of the elections. We are aware that some of our members are aggrieved on some of the actions taken by electoral committee. As president, I take all responsibilities. I want to appeal you all that we should all continue in love and build unity among members.

It is clear that we need to review the electoral guidelines and make some of the provisions of the constitution because of the possible different interpretations. I believe that this will be one of the major assignments the new executive will embark upon.

**n. International Partnership**

As the Nigeria representative, I attended IFIP General Assembly in Lillie, France between 20<sup>th</sup> and 22<sup>nd</sup> September, 2022 after a long time. Our participation provided a very good opportunity re-establish our partnership with the international body.

The current NEC has resuscitated our membership and we are now very active in IFIP. I wish to inform members that IFIP has fourteen (14) Technical Committees, listed as follows:-

**IFIP Technical Committees:**

TC 1: Foundations of Computer Science

TC 2: Software: Theory and Practice

TC 3: Education

TC 5: Information Technology Applications

TC 6: Communication Systems

TC 7: System Modeling and Optimization

TC 8: Information Systems

TC 9: ICT and Society

TC 10: Computer Systems Technology

TC 11: Security and Privacy Protection in Information Processing Systems

TC 12: Artificial Intelligence

TC 13: Human-Computer Interaction

TC 14: Entertainment Computing

NCS is only represented in three technical committees. Members must be ready to participate at the events of these committees. Members that are interested in joining any of these technical committees should contact the Executive Secretary, Mr. 'Segun Adekunle. NEC has decided that NCS will now be taking active roles in IFIP activities.

We are currently renewing our collaborations with British Computer Society (BCS) and International Telecommunication Union (ITU). You would have noticed that executives and some members of BCS attended the 2022 conference. NCS has joined other Computing societies in Africa to form Computing and Information Technology Association of Africa (CITAA)

**Conclusion**

I cannot end this without thanking the elders and fellows of this profession for their commitments and sacrifices at all times. We appreciate our partners and collaborators for ensuring continuous existence of the society. Special recognition and respect to all distinguished members attending this meeting.

I wish to remind all our members that NCS project is the business of all members. Our commitments and sacrifices are sacrosanct to the rapid growth and development of the society.

While counting on your continuous unflinching supports at all times, I wish to assure you that we shall this present NEC will continue to work assiduously towards taking this society to enviable heights. I appreciate you for the opportunity given to me to serve as your president from 2019 to date. Together we shall move NCS to greater heights.

Thank you and God bless.

**Prof. A. S. Sodiya**

President, NCS

**MINUTES OF THE  
EGM MEETING HELD ON  
13TH SEPTEMBER 2022**

## Minutes Of the Nigeria Computer Society Extraordinary General Meeting (EGM) Held Online on 13<sup>th</sup> September 2022

2022/09/01 **Attendance**

<p>2022/09/02</p>	<p><b>Opening:</b>  The President, Prof Adesina Sodiya welcomed all stakeholders to the online Extra-Ordinary General Meeting. He appreciated the presence of Past presidents, Past Provosts, Elders, Zonal coordinators, Chapter chairmen and all others for attending the EGM.  The President reminded members that EGM was as a result of the decision taken at the last AGM held in Abeokuta, Ogun State.</p> <p>AGENDA:</p> <p>Dr. Ogunleye Akinwale (MRN 08882) moved a motion for the adoption of the Agenda and seconded by Dr. Michael O. Edeh (MRN 13282 )</p>	
<p>2022/09/03</p>	<p><b>Membership Amendment:</b></p> <p><b>ARTICLE IV – MEMBERSHIP QUALIFICATIONS REGISTRATION AND CESSATION</b></p> <p><b>4.3. Professional Membership</b></p> <p>1.1 B. Member (MNCS)  To insert B(vii)  B (Vii) Must be practising IT for Ten (10) years with minimum of a recognised professional qualification/Certification by CISCO, ORACLE, CPN, BCS, etc.</p> <p>C. Associate (AMNCS):</p> <p>1.2 To insert C (vii) and C (Viii)  C(vii) Must be practising IT for Five (5) years with a professional qualification/Certification in any of the followings - CISCO, ORACLE, CPN, BCS.</p> <p>1.3 C (viii) A graduate of Computer Science or Information Technology related discipline who has been student member for not less than two (2) years while in school.</p> <p>Mr Lukman Bayero (MRN11258) moved a motion for the amendment of the membership qualifications as presented. It was supported by Mr. Abdulwasiu Kailani (MRN 07110)</p>	

<p>2022/09/04</p>	<p>Mr. Tunde Ezichi put a caveat that Credentials Committee should interview those who are not core IT or Computer Science graduates so as not to water down NCS membership.</p> <p><b>Ex-Officio changes to Zonal Coordinator</b>  <b>ARTICLE V– THE NATIONAL EXECUTIVE COUNCIL</b></p> <p><b>5.1 Composition</b>  The composition of the Council shall include the following:</p> <p>a) Elected Members  6 Ex-Officio Members and Representative to CPN Council each to represent Chapters in each of the six geo-political zones of the Country.</p> <p><b>To read:</b>  Six (6) Zonal Coordinators and Representatives to CPN Council each to represent Chapters in each of the six geo-political zones of the Country.</p> <p><b>ARTICLE XIV– THE SOCIETY REPRESENTATION AT THE COMPUTER PROFESSIONALS (REGISTRATION COUNCIL OF NIGERIA) (CPN)</b></p> <p>viii) to read  Six (6) Zonal Coordinators who shall come from and represent each of the six geo-political zones of the country and shall be elected during the Annual General Meeting of the Society</p> <p><b>Motion:</b>  Mr. Olatunde Tijani (MRN 08980) moved a motion to change Ex officio title to Zonal Coordinators. The motion was supported by Ms Mariam Chukwuemeka (MRN04687)</p>
<p>2022/09/05</p>	<p><b>Article V. The National Executive Council</b></p> <p>.</p> <p>d) The council shall hold meetings (Physical and/or online) at least once every quarter to plan and review the Society’s activities and deal with emerging and prevailing issues. <b>Any Council member who fails to attend NEC meeting for three (3) consecutives times stands suspended.</b></p> <p><b>Attendance at NEC meetings:</b>  The President reiterated that low attendance of members at NEC meetings has been a yearly issue at AGM. The essence of NEC meetings among other things is to come together and agree on how to move NCS ahead.  The proposal was for NEC members who were absent from NEC meetings for three consecutive times should be suspended.</p> <p><b>Motion:</b>  Mr. Abdulwasiu Kailani moved a motion to support the proposal and was seconded by Dr. Chigozirim Ajaegbu (MRN 12045).</p>

<p>2022/09/06</p>	<p>Prof Rasheed Jimoh (MRN 08541) moved a counter motion but was not supported by any member.</p> <p>The President added that the affected NEC member would face Ethics &amp; Disciplinary Committee. The committee will advise the NEC whether to reinstate or dismiss entirely the affected person.</p> <p>However, Dr. Abimbola Salako (MRN 00024) put a caveat that if the NEC member is President of an Interest Group, does it mean the Interest Group can also be suspended?</p> <p>Mr Tunde Ezichi supported the issue raised by Dr. Abimbola Salako on Interest Group head being suspended. He added that such IG should be notified.</p> <p><b>ETHICS &amp; DISCIPLINE</b></p> <p>Ethics speak to the standards, norms, principles, core values and ways of doing things in a decorous manner for the common good of all.</p> <p>The ethics and disciplinary policies and measure of the Society are governed by the Constitution and code of conduct of Nigeria Computer Society. The code of conduct document provides the ethical principles and guidelines for professional practice of members.</p> <p>NCS ethics and disciplinary policy is in accordance with the National Ethics and Integrity Policy of Nigeria. The National Ethics and Integrity Policy of Nigeria gives the backing to NCS ethics and disciplinary code of conduct and its penalties.</p> <p>The President informed the house that the Code of Ethics was not mentioned in the constitution. He therefore proposed its inclusion in the constitution. he Article 4.10 was</p> <p><b>Motion</b></p> <p>Motion to include the Code of Conduct of the society Prince Majemite (MRN 05902) moved a motion for the inclusion of the Code of Ethic to the NCS constitution. This was supported by Dr. C. Ajaegbu</p>	
<p>2022/09/07</p>	<p>Dr Abimbola Salako reiterated that national constitution is superior to any constitution.</p> <p><b>NACOS President as NEC member:</b></p> <p>The meeting recognized NACOS President as an observer at NEC meeting but not Statutory NEC member.</p>	
<p>2022/09/08</p>	<p><b>Motion:</b></p> <p>Mrs.Bolaji Adetipe(MRN05355) moved the motion to support above statement And seconded by Sheik Tahir Rahma (MRN 10261)</p>	

## Consideration of the reviewed Code of Ethics and Professional Conducts

The reviewed Code of Ethics and Professional was presented and considered. Mr. Tunde Ezichi mentioned that the issue of 'Respect' should be included in the Code of Ethics and Professional Conducts.

### Motion:

Dr. Chigozirim Ajaegbu (MRN 12045) moved the motion for the immediate use of the Code of Ethics and Professional Conducts. This was seconded by Dr. Michael O. Edeh (MRN 13282 )

### Any Other Business:

- 1) Dr. Araoye Olalekan (MRN 05390) sought for rebate for all who owed annual dues. The President responded that some members pay their annual dues regularly. He encouraged debtors to pay at piece-meal. He asserted that members should be more committed to the course of NCS.
- 2) Mr. Tunde Ogunremi (MRN 02266) stated that attendance at meeting is very crucial. He therefore charged the Secretariat to update virtual attendance at 2021 AGM
- 3) Dr. Chikpodli Ugwuishiwu (MRN08986) noted that in the past NCS issued certificate on paper presentations and not certificate of participation to authors. She said some Universities recognize and demand certificate of presentation with titled of paper presented. She added that there was a mixed up of titles and authors at 2022 conference papers compilation. She charged the Secretariat to be more careful while formatting the sensitive documents.

The President assured the meeting that her observations were noted for improvement. The Chairman Conferences Committee, Mr. Rex Abitogun (MRN 07359) stated that the team in charge of papers presentation was working on all papers presented and authors would download their certificates.

- 4) Ms. Mariam Chukwuemeka (MRN 04687) was concern about annual dues debit profile that increased yearly. She wanted to know what NEC is doing on this.

The President responded that proactive measures are being taken which include but not limited to:

Debt recovery through state chapters

Secretariat staff

AGM attendance with annual due payment

Regular reminder letters to members.

Sooner, the constitution would be evoked on debtors.

2022/09/09

2022/09/10

5) Mr Chidiebere Uguwuegbulan (MRN11217) commended NEC for inclusion of International Journal on Information, Security, Privacy and Digital Forensic on AJOL

6) Dr. Abimbola Salako appreciated NEC and all stakeholders for attending the EGM.

7) The Deputy President, Dr. Muhammad S. Aliyu (MRN 05474 ) stated that contacts of all state chairmen would be uploaded on the website.

**Motion For Adjournment.**

Motion for the adjournment of EGM was moved by Mrs. Hauwa Yah aya Abubakar (MRN08398) and supported by Dr. Vivian Nwaocha (MRN 05160)

**Closing Prayer :**

Pastor (Dr) Adeola Ilechukwu (MRN01177) offered the closing prayer at 2.20pm.

## EXECUTIVE SECRETARY'S REPORT

**MR. ADESEGUN ADEKUNLE** FNCS  
**EXECUTIVE SECRETARY, NIGERIA COMPUTER SOCIETY (NCS)**

## Executive Secretary's Report

The President, Prof. Adesina S. Sodiya  
The Deputy President, Dr. Mahammad Sirajo Aliyu  
The President and Chairman of Council CPN  
Members of the National Executive Council  
The Provost College of Fellow  
Deputy Provost  
Past Presidents  
Past Provosts  
Fellows of NCS  
Members of the Nigeria Computer Society

### 1.0 Preamble

All glory to God for giving us another opportunity once again this year to report the progress made in the past twelve months. On behalf of the National Executive Council, the entire NCS Secretariat Staff, I welcome distinguished members here present and virtual attendees to the Annual General Meeting (AGM) of our Society at The Event Place, Murtala Mohammed Way, Federal Low-Cost Bypass, Bauchi, Bauchi State, Nigeria. We are most grateful to the Almighty God for keeping us safe and healthy.

### 2.0 National Executive Council

During the last twelve months, nine (9) meetings (2 Physical, 7 Virtual) were held by the National Executive Council as shown in the table below.

S/N	Date	Mode
1.	30/09/2022	Online
2.	03/11/2022	Online
3.	23/11/2022	Physical
4.	23/01/2023	Online
5.	28/02/2023	Online
6	04/05/2023	Online
7.	07/06/2023	Online
8.	23/06/2023	Physical
9.	20/07/2023	Online

**The summary of attendance is as follows:**

<b>S/N</b>	<b>NAMES</b>	<b>DESIGNATION</b>	<b>% OF ATTENDANCE</b>
1	Prof. Adesina S. Sodiya	President, NCS	100%
2	Dr. Muhammad Sirajo Aliyu FNCS	Deputy President, NCS	100%
3	Prof. Adesola Aderounmu FNCS	Immediate Past President, NCS	22.22%
4	Mr. Kole Jagun FNCS	President and Chairman of Council CPN	77.78%
5	Mr. Bimbo Abioye	ISPON President	100%
6	Mrs. Bamidele Bayo-Osibo	President, NiWIIT	100%
7	Otunba Peter Arogundade FNCS	President, ITSSP	33.33%
8	Dr. Segun Olorunyomi FNCS	President, NITPCS	100%
9	Mrs. Shulammitte Ayobami Ilebiyi FNCS	Chairman, Audit Committee	100%
10	Dr. (Mrs) Florence Babalola	Chairman, Education and Manpower Development	100%
11	Mrs. Margret John-David FNCS	Chairman, Publicity, Events and Trade Services	100%
12	Mr. Ayodeji Rex Abitogun	Chairman, Conferences Committee	100%
13	Prof. Oludele Awodele FNCS	Chairman, Credentials Committee	100%
14	Dr. Olusoji Okunoye FNCS	Chairman, Innovation, research, and development	100%
15	Dr. Charles Onyeukwu FNCS	Chairman, Ethics and Disciplinary Committee	100%
16	Prof. (Mrs) Sadiat Adebukola Onashoga FNCS	Zonal Coordinator, South-West	88.89%
17	Dr. Stanley Adiele Okolie FNCS	Zonal Coordinator South-East	100%
18	Mr. Bayo Muhammed Onimode	Zonal Coordinator North Central	100%
19	Mr. Muhammed M. Abubakar FNCS	Zonal Coordinator North-West	88.89%
20	Dr. Usman Abdullahi Ali FNCS	Zonal Coordinator North-East	100%
21	Mr. Bassejy Okwong Essang FNCS	Zonal Coordinator South-South	66.67%
22	Mr. Chihurumnanya Nwanevu	NACOS President	22.2%
23	Mr. Segun Adekunle FNCS	Executive Secretary	100%
24	Prof. Yusuf Benson Baha	President AITP	22.2%

### 3.0 EXECUTIVE COUNCIL COMMITTEES REPORTS

#### 3.1 Credentials Committee Report (2022-2023 Reports)

The Credentials Committee had regular meetings. The main function of the Committee is to screen application forms and process same for the purpose of admitting new members into the Society.

**(2022-2023)** A total of **1227 (One Thousand Two Hundred and Twenty-Seven)** forms were processed during the year and **857 (Eight Hundred and Fifty-Seven)** members were registered into the various categories of membership.

During the year the following were awarded with the **Professional Fellowship** of the Nigeria Computer Society.

They are:

1. Mr. Abdu Ibrahim Dakata
2. Mr. Abdulrahim Kailani Abdulwasiu (Late)
3. Dr. Adenrele A. Afolorunso
4. Mr. Adesegun Job Adekunle
5. Mr. Adeyinka Saheed Adelanwa
6. Mr. Bamidele Samuel Adelusì
7. Mrs. Barakat Adejoke Samotu
8. Mrs. Catherine Terdoo Igundunasse
9. Mrs. Chinenye Ijeoma Awodu
10. Engr. Dagogo Bruce Buowari
11. Dr. David Udodili Obiora
12. Mr. Fatai Olaoye Oseni
13. Mr. Folakemi Mabel Agbana
14. Mr. Foluso Emmanuel Daramola
15. Engr. Hauwa Abubakar Yahaya
16. Dr. Jobson Oseodion Ewalefoh
17. Mr. John Odekina Itaha
18. Mr. Joseph Chukwuwinke Utulu
19. Dr. Juliet Nnenna Odii
20. Mr. Kamoli Adewale Saka
21. Mr. Kashifu Inuwa Abdullahi
22. Mr. Kehinde Adeyemi Ige
23. Mr. Leonard Chinedu Azubuìke
24. Mr. Mudashir Bolanle Lawal
25. Mrs. Nihinlola Monisola K. Adeyemi
26. Mr. Ogbonnaya Chidi Azubuìke
27. Mr. Oladele Kayode Towolawi
28. Dr. Oladipupo Ayodeji Sennaìke
29. Mr. Olugbenga O. Gbonjubola

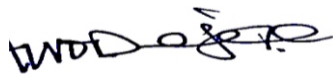

30. Mr. Olumide Abayomi Bola
31. Dr. Oluwakemi Sade Ayodele
32. Mr. Oluwole Kenneth Asalu
33. Mr. Paul Barry Omotayo Omokore
34. Mr. Rotimi Wilmatt Olubeko
35. Mr. Rowland Olasunkanmi Adeoye
36. Mr. Taiwo Olusesan Oyesanwo
37. Mr. Uche Gregory Nwachukwu

#### **Honourary Fellows**

1. Governor Dapo Abiodun
2. Engr. Prof. Mohammed Sani Haruna
3. Mr. Muhammad Nami
4. Otunba Akinsanya Olugbenga Doherty

Thank you.

#### **Prof. Oludele Awodele (FNCS)**

Chairman, Credentials Committee

#### **3.2 Ethics and Disciplinary Committee (2022-2023 Reports).**

The committee meets regularly for meetings, online and at times through the Committee's WhatsApp group chats.

Within the year in review, The Ethics and Disciplinary Committee of the Nigeria Computer Society were requested to review the NCS Code of Ethics and Standards vis a vis the National Policy on ethics and integrity document which was introduced by the Federal Government of Nigeria.

The above task was completed. Members can go online to view the NCS Constitution as amended <https://www.ncs.org.ng/wp-content/uploads/2023/01/The-Constitution-of-Nigeria-Computer-Society-NCS-2022.pdf>.

In the year, there are issues brought to the attention of the Committee.

1. Constitutional Crisis at ISPON: The ISPON President was advised to conduct an election to elect new Executive members to run the affairs of the Association in the next 2 years. This was adhered to, and the issue was resolved immediately.
2. Also, the Code of Conduct was reviewed.

3. The Ethics and Disciplinary Committee of the Nigeria Computer Society received a letter from the Executive Secretary captioned – Suspension of Prof. Aderounmu as a member of NCS National Executive Council (NEC)

After a careful study and deliberation of the content of the letter in line with the NCS Constitution (As Amended in July 2022), the committee came up with the following resolutions:

- I That the suspension remains until he is prepared to let NEC know his grievances.
- ii In addition, all rights and privileges attached to his office as IPP should be withdrawn immediately.
- lii He should be given one month within which to come to NEC or Ethics committee to air his grievances or stand the risk of being expelled from the society.
- i. Going forward, we suggest that all disciplinary/unethical matters should be first investigated by the Ethics committee, who will then make recommendation(s) to NEC for decision making.

4. Report on Forgery Case. – involving an NCS Member:

The Ethics and Disciplinary Committee of the Nigeria Computer Society received a letter from the Executive Secretary with the above heading.

After careful study and deliberation of the content of the letter in line with the NCS Constitution (As Amended in July 2022), and the code of ethics and professional conduct document, it was decided that the accused be invited for questioning by the Committee. (This was done online)

The Accused was questioned, and the following were the findings of the committee:

- The Accused person confirmed that he committed the offence as stated above.
- He scanned a copy of the Certificate he had and cloned same for the use of his colleague who was not a member.
- He collected the sum of N30, 000.00 each to produce the certificate for two company totalled N60, 000.00.
- He was the PRO of Kaduna State Chapter between 2019 and 2023.
- The Certificate was cloned in 2021 for the use of one Mr. Nafiu who was not a member of NCS as at the time of the forgery; Mr. Nafiu was not a member of NCS as the time. He only became a member in 2022.
- Mr. Nafiu has since regularised the registration of his companies with NCS.
- The accused was detained by the Police for 2 days and later discharged on bail.
- He said that was the first and last time he ever cloned NCS certificate for anyone.
- He claimed to have carried out the act on his own (No staff of NCS or member assisted him in the process)
- The committee was informed that he tried to avoid being arrested and that the Chapter had to engage the services of a private detective before he could be arrested.

At the end of the meeting,

The following were the recommendations of the Committee:

- a. Certificate Forgery is a criminal offence.
- b. His membership with NCS should be withdrawn.
- c. NEC should advice CPN to deregister him if his name is on the register of ComputerProfessionals.

- d. Secretariat should publish a disclaimer on him on national dailies.
- e. Secretariat should put in place measures to prevent feature reoccurrence.
- f. BPP and other organisations should be encouraged to carry out certificate verifications before contracts are awarded.
- g. Kaduna Chapter should be advised to leave the police case open with the police and not to pursue it to avoid wasting their time and resources.

- 5. A case of an elder of the Society, indicting the President and members of NEC to account for the =N100 Million Naira donation to NCS in support of the office project.

Mr. Rogba Adeoye was invited to a meeting of the Ethics & Disciplinary Committee – He refused to show up for the meeting and wrote a letter saying that the Ethics committee should consider his health in determining the matter.

He also said his lawyer can be contacted for further communication because of his health condition. The issue was reported to NEC for their input on the way forward.

### 3.3 Publicity, Events and Trade Services Committee (2022-2023 Reports)

The Committee participated alongside the Conferences Committee in creating awareness for the 2022 International Conference at Abeokuta which we can all attest to the level of awareness it had and resulted in a large attendance and participation.

- The Committee immediately hit the ground running in preparation for NITMA 2022, the fliers for the event and call for nominations for our different awards and various activity plan in preparation for the event went on smoothly. And we had an eventful and successful NITMA 2022, it recorded improve attendance.
- In the year under review, NITMA recorded Class, Beauty, and Elegance by the Introduction of first ever NITMA QUEEN which was unveiled at the 2022 NITMA.
- The Committee was Consistent in the production of e-voice the NCS online newsletter(bulletin).
- The Committee produced NCS 2023 table calendar which was used for advocacy and awareness creation. I must commend the President and this esteem NEC members for this great innovation, which went a long way in advertising the society, introducing the society, its actives, and its various stake holders to the public.

### 3.4 Education & Manpower Development Committee:

The Committee's flagship assignments are - organizing annual quiz competitions, processing scholarship awards, educating members on trendy technology advancement, and mentoring.

#### 3.4.1 National It Competitions:

The year under review witnessed another IT Competition for students in Secondary Schools and Tertiary Institutions in Nigeria. The competition is meant to challenge the students and bring them abreast the current IT revolution sweeping across the globe.

Below are the winners of the NCS 2023 National Information Technology Competitions.

#### 3.4.2 National IT Whizkids Competition

Name	School	State	Position
Excel Chukwuemeka	Platform Schools	Lagos State	1 <sup>st</sup>
Osinachi Ogbu	Bloombred Schools (Day)	Rivers State	2 <sup>nd</sup>
Chinazom Enekweizu	Mount Olive College, Umunya	Anambra State	3 <sup>rd</sup>

#### 3.4.3 Tertiary National IT Competition

Name	School	State	Position
Chikezie Amalagu	Federal University of Technology, Owerri	Imo State	1 <sup>st</sup>
Jabir Sani Yusuf	Jigawa State Institute of Information technology	Jigawa State	2 <sup>nd</sup>
Umar Ahmad	Umaru Musa Yar nn'adua University	Katsina	3 <sup>rd</sup>

It is good to mention that this year's competition was conducted with the great supports of IT Coordinators from each state of the federation, Chapter Chairmen and Zonal Coordinators. The winners of the 2023 National Information Technology Competitions will be awarded during the 2023 International Conference in Bauchi, Bauchi State.

The Committee greatly appreciate our sponsors, all organizations, state governments and the following set of people; State IT Coordinators, Chapter Chairmen, NCS Zonal Coordinators and Secretariat Staff that facilitated the coordination and success of the 2023 National IT Whizkids Competition. **Our Sponsors are:** Fintrak Software Ltd; Bluechip Technology Ltd; Digital Communications Konsult Nig. Ltd; Professor (Mrs.) Stella Chiemeké; Mr. Akpodigha Filatei and Mr. Dele Adelusi.

#### **3.4.4 NCS Jim Ovia Scholarship:**

In a way of giving back to the society and support educational & research development, NCS instituted a scholarship fund. Currently, the scholarship fund is being sponsored by Mr. Jim Ovia through the JIM OVIA FOUNDATION. The annual beneficiaries are: 5 Ph.D., 10 M.sc and 20 Undergraduates.

The 2022 NCS Jim Ovia selection and award was successfully conducted. The 2023 scholarship scheme is ongoing.

#### **3.4.5 NCS TechMinds:**

In the year reporting, Education and Manpower Development Committee in collaboration with NCS NEC and Secretariat successfully launched TechMinds. The vision of this initiative is to excite, educate and empower Nigerian kids (Upper Primary and Secondary Pupils) to learn problem solving and critical thinking skills to be IT innovators and acquire confidence in technology through interactive after school program that will enable them to succeed in the 21st century and beyond.

All NCS State Chapters are to implement this programme in their states. The programme should be at little or no cost from the kids. Progress on the implementation of this initiative will form part of Chapter's report at NCS Annual General Meeting.

#### **3.4.7 Appreciation:**

The assignments of the Education and Manpower Development Committee was made seamless through the massive supports we received from our sponsors, the National Executive Council, EdMD Committee Members, NCS State Chapters & IT Coordinators, and the Secretariat. With our joint effort, we will continue to propel Nigeria Computer Society to the greatest height.

Thank you and God bless.

**Dr. Florence Babalola**

Chairman, Education & Manpower Development Committee

### **3.6 Conferences Committee.**

Conferences Committee Report

The conferences committee is responsible for planning, implementing, monitoring, and controlling every aspect of NCS-sponsored conferences, including symposiums/seminars and workshops. The committee

collaborates closely with relevant stakeholders, including the Innovation, Research and Development Committee, Publicity, Trade and Events Committee, and selected volunteers to perform its duties.

To realize the vision of *making the NCS conferences a value-packed and connecting point for all members and relevant stakeholders* in the IT sector, the committee had a series of meetings, including ten virtual and two physical meetings, to review, plan, and implement strategies for a successful conference for the year under review.

This series of meetings has led to various initiatives

### **Implementation of International Conference on Smart, Secure and Sustainable Nation**

The 2022 international conference held at Abeokuta was judged to meet the attendees' expectations, leaving a lasting positive impact on participants and the IT community. It was our second Hybrid conference, providing opportunities to improve members' participation irrespective of location.

The Hybrid conference took place at June 12 Cultural Centre, Kuto, Abeokuta, Ogun State, Nigeria, between 2nd – 4th August 2022, with 1164 participants (physical and online), making it a 20% increase above the 2021 conference held in Uyo. The 3-day event leveraged technology tools for live streaming for our global participants as they constitute 10% of participants while 90% are within the country.

The theme, "**Smart, Secure and Sustainable Nation, S3N,**" was chosen to address the burning issues facing the Nation regarding building intelligent technologies for economic growth. The conference presents strategies for harnessing the opportunities created for stakeholders in the digital economy. Unsurprisingly, other stakeholders within the country make the topic their point of discussion shortly after our event, thereby contributing to the federal government implementation roadmap.

The conference had global thought leaders, policymakers, members of the press, and students. The Speakers and presenters presented rich papers logically across five plenary and six parallel sessions. The conference also provides participation of other activities at the event include a visit to Obasanjo Presidential Library, a visit to Olumo Rock, NACOS night, a banquet dinner, and a presentation of awards to individuals and chapters that significantly contributed to the conference's implementation.

### **Post Conference Activities**

Upon completing the conference, the committee developed and circulated the Conference Communique to all stakeholders. We documented the lessons learned for historical purposes and sent letters of appreciation to all our supporters, including sponsors and partners.

#### **1. 2023 conference**

Following the interest of the Government of Bauchi state through the State Chapter executives, the NEC decided to have the 2023 conference in Bauchi as it will promote social integration and

After due consultation, our team developed the theme "**Communications and e-Systems for Economic Stability**" to consider broad social, economic, and technical challenges in communication infrastructure, processes, and our Nation and discuss solutions that could respond to evolving societal challenges.

Planning a hybrid conference can be challenging, but 2021 and 2022 provided a good experience and gave us an advantage. Our strengths are our team's diversity, inclusiveness, teamwork, openness, and willingness to learn new things.

In summary, our achievements so far are.

- i. Facilitate new collaborations and partnerships between individuals, organizations, or businesses with shared interests and goals.
- ii. Improvement in brand exposure and marketing opportunities for our corporate partners, leading to business growth and customer acquisition.
- iii. Improvement in our communication channels, including a dedicated website and improved presence on social media platforms.
- iv. Maintain a standard operating procedure manual for NCS conference implementation.
- v. Improvement in the number of research publications and dissemination of new research findings by researchers
- vi. Opportunity for collaboration among our members in the academia, public and private sectors
- vii. Acquisition of Conference Management solution to reduce the bottleneck in the registration process by 40 percent.
- viii. Worked with the Publication and Innovation committee to strengthen the paper submission and review processes.
- ix. Integration of Artificial intelligence tools leading to self-generated letters of invitation to individuals and organizations, saving adequate cost on logistics and reducing paper cost
- x. Continuous improvement on our e-certificate platform for conference attendees leading to huge savings on printing, protecting the environment, and removing the bottleneck in delivery certificates to members.
- xi. Sustain the effort of our committee by championing transparency, collaboration, and teamwork leading to an average of 95% attendance rate at meetings.
- xii. Improved visibility to the NCS brand with a positive economic impact on our host cities as it brings in visitors who spend on accommodations, dining, transportation, and other local services.

In conclusion, as we prepare to hand over to a new team to manage our conference affairs, we believe that those taking over from us will help improve on the areas we did not do well while sustaining the initiatives that bring glory to the Society.

We are grateful to Society and the trust bestowed on us.

Ayodeji Rex Abitogun FNCS  
Conferences Committee Chairman (CCC)  
August 10, 2023

### **3.7 Report of Committee on Innovation Research & Development**

The Committee met several times specifically on the following dates apart from several emergency meetings:

1. Thursday, 13th October 2022
2. Tuesday, 6th December 2022
3. Wednesday, 5th April 2023
4. Tuesday, 4th July 2023

## Activities of the Committee

The Committee coordinated, reviewed and produced the following Journals and Conference proceedings in the last one year:

1. Journal of Computer Science and its Applications (JCSA) Volume 29 No. 2 December 2022
2. International Journal of Information Security, Privacy and Digital Forensics (JISPDF) Volume 6 No. 2 December 2022
3. Journal of Computer Science and its Applications (JCSA) Volume 30 No. 1 June 2023
4. International Journal of Information Security, Privacy and Digital Forensics (JISPDF) Volume 7 No. 1 June 2023
5. NCS Annual Conference proceedings 2023

In addition, the committee was fully involved in the following programmes:

Tech-Innovation Development Programme, an empowerment programme with five products already created. Currently, four teams are on board of creating another set of products.

The Artificial Intelligence and Robotics Forum and Workshop which was held at Crispan Hotel and Suites, Jos Plateau State between 19<sup>th</sup> and 21<sup>st</sup> March 2023.

The Cybersecurity Forum and Workshop 2.0 held at National Open University of Nigeria, Abuja between 7<sup>th</sup> – 10<sup>th</sup> May 2023

Artificial Intelligence and Data Science Workshop that was organised for the Federal Inland Revenue Services staff at Ostra Hotel, Alausa Ikeja, Lagos between 7<sup>th</sup> and 9<sup>th</sup> July 2023

## 4.0 INTEREST GROUPS' REPORTS

### 4.1 Nigeria Information Professionals in Civil & Public Services (NITPCS).

DATE	ACHIEVEMENT	SPEAKER AND PANELIST
25 <sup>th</sup> Nov. 2021	NITPCS WEBINAR The first edition of the group webinar was staged with over 45 online members in attendance. Topic: Post Covid-19 prospects and Challenges.	Speaker: Prof. Adesina Sodiya (FNCS), Mr. Chris Uwaje (FNCS) Panelist: Dr. Ibukun Odusote(FNCS), Mr. Kole Jagun(FNCS) CPN President and DR. Amina Sambo-Mogaji.
21 <sup>th</sup> Dec. 2021	NITPCS was able to come up live with another webinar with over 50 members in attendance. Topic: The Role of IT professionals for Effective service delivery	Speaker: President Prof. A.S Sodiya (FNCS), Alhaji Abdul-Hakeem Ajijola. Panelist: Prof. Bukola Onasoga(FNCS), Mr. Rogba Adeoye (FNCS), Mr. Allwell Achumba(FNCS) formal Register CPN and Prof. Jimoh Rasheed Gbenga.
10th Feb. 2022	The group was able to come up with a webinar. Topic: Exploring Emerging cyber-	Speaker: Prof. A.S Sodiya (FNCS), Mr. Lanre Macurly from Canada. Panelist: Mr.

	<p>attack and Defense Mechanism.</p> <p>In the course of parallel session, the following were taking home:</p> <ul style="list-style-type: none"> <li>a. June 2023 Proposed	National Election of NITPCS	

## 4.2 Nigerian Women in Information Technology (NIWIIT)

### June 2022 to May 2023

NIWIIT is the women facing association under the auspices of Nigeria Computer Society. (NCS). NIWIIT is arguably the foremost Interest group of NCS.

The year to which this report pertains was an interesting one for NIWIIT, for in June 2022, the association celebrated its 10<sup>th</sup> year Anniversary. It was a very colourful and well attended event. Our Keynote speaker was none less a person, than Ms. Funke Opeke, CEO of Mainone.

### Present Executives of NIWIIT between 2022 -2023

Year/Date of Inauguration of NEC/Post	Fifth NIWIIT NEC, 2022
Date of Inauguration of NEC	4 <sup>th</sup> August 2022
President	Mrs. Dele Bayo-Osibo

Asst. Financial Secretary	-
Public Relation Officer	Mrs. Abiola Jide-Abe
Welfare Officer	Mrs. Grace Ateata
Asst. Secretary	-
Special Duties I	-

Special Duties II	-
IPP	Dr. Florence Babalola

### Events/Programmes and Focus

The following are the yearly events of NIWIIT:

S/N	NIWIIT EVENTS	DATE
1	Annual National Conference	June of each year
2	Annual General Meeting, AGM	During the National conference
3	International Women's Day (IWD)	8 <sup>th</sup> March each year
4	NIWIIT-CBTng.COM UFiT	Q1 every year.
5	Girls in ICT Day	Annual State Chapter event
6	EmPowerHer Training Initiative	Continuous Training

The focus of **NIWIIT** remains the advancing the use of Information Technology amongst Nigerian women through networking, mentoring, collaboration, and capacity building programs. NIWIIT has Inducted between 2021 and 2022, a total of Ninety-One (91) new members, some of whom are of the Professional cadre, meaning they are also NCS members.

During the year a committee was set up review NIWIIT Byelaws. Happy to announce that the Byelaws 2022 is now what guides NIWIIT as an interest group.

On 8<sup>th</sup> March 2023, NIWIIT joined the rest of the world to celebrate International Women's Day (IWD). NIWIIT celebrated the day with an online webinar presentation on the theme with 3 impactful speakers, a very successful event.

During 2022 NIWIIT embarked on another cohort of the EmpowerHer Digital skills Training Initiative, in Lagos state. This brings to a total of over (2000 applications received & shortlisted for the Training, four hundred (400) were trained on the Telegraph group. Out of which, 162 obtained Microsoft certifications. Conversations have commenced, in Osun and Kaduna State Chapters for EmpowerHer Digital Skills training for NYSC females. This training should be progressed within the next few months. A formidable collaboration has been created; an Initiative of NIWIIT, in partnership with Microsoft.

The Girls in ICT initiative took place in all NIWIIT State Chapters. NIWIIT State Chapters have continued to be vibrant. The interest group has established her state chapters and inaugurated their respective state EXCOS in Seventeen states of the federation. The states already inaugurated by NIWIIT are: Abuja, Akwa Ibom, Benue, Gombe, Imo, Kaduna, Katsina, Kogi, Kwara, Lagos, Edo, Ekiti, Enugu, Ogun, Oyo, Osun. The plan is to include Anambra and Bauchi State Chapters on this list and breath fresh life into the less vibrant state chapters.

Girls in ICT Day continues to be a medium to mentor the young Nigerian girls on IT. Other activities of our chapters, include webinars and workshops, thereby increasing the empowerment of our members with various aspects of IT.

NIWIIT held its 2<sup>nd</sup> Edition of Undergraduate Females in IT Quiz. (UFiT) targeted at undergraduate female in IT. From inception to date, we have had Six hundred & eighteen (618) registered for the quiz across the

nation. The quiz curriculum covered; basic knowledge about IT, including hardware, software, networking and internet technologies and national IT Industry bodies such as NCS and NIWIIT.

Early in 2023, we started another first, the NIWIIT Webinar series. The aim is to further help the members of our interest group to empower ourselves by sharpening skills and widening our capabilities for a digital world.

During January 2023, NIWIIT, represented by its President, was invited to be part of a consulting group that birth the Women in ICT Zimbabwe (WICTZ). The president gave the Keynote address at the March 2023 Launching of WICTZ in Zimbabwe event.

We at NIWIIT are fueled with passion to see vision stay a glow.  
Thank you.

## 5.0 REPORT FROM ZONAL COORDINATORS

### 5.1 South West Zonal Coordinator

The Nigeria Computer Society (NCS) South-West Coordinator and Representative at the CPN Council is charged with the responsibility of supporting the growth of the six state chapters of Nigeria Computer Society within the region. On application for this position, I set the following as my target for accomplishment:

- i. To strengthen the six state chapters via harmonization
- ii. To support the interest of NCS with respect to enhancing Membership strength
- iii. To organize Webinars to promote IT Education
- iv. To expand the CPN induction of Computer Science Graduates within the South-West region.

This report chronicles the giant steps I have taken in achieving these. Within the last two years, there abound incontrovertible evidence that a new dawn has broken forth in the six state chapters (Ekiti, Lagos, Oyo, Ogun, Ondo and Osun) of the South-West Region of NCS. We started the year with chapters presenting their calendar of activities for the current year and this birthed the roadmap for us, subsequently. As strategically coined out in my first term in office, the vision of the NCS South-West Region, remains as **“Harnessing IT Potentials for Productivity and Growth”**.

The following are the activities embarked upon within the period:

#### i. Constant Monitoring

There was active engagement with the individual state chairman from time to time. The South-West *WhatsApp* platform, which has some members of state executive council onboard, has been such an interactive forum which focused on the growth of each chapter. As a result of this effort, the Oyo and Lagos State Chapters recorded significant improvement, while Ekiti and Ondo equally joined the trail at the beginning of my second term. Our *Tweeter* handle **#southwest4ict** and the email address [southwest@ncs.org.ng](mailto:southwest@ncs.org.ng) were judiciously utilized.

I attended (physically), the meetings and events organized by Ondo, Ekiti, Oyo and Lagos Chapters one time or the other not leaving out Ogun State Chapter. This was just in a way to encourage them.

#### ii. Fostering Leadership Skills

In ensuring that members are up-to-date in their professional callings, an executive retreat tagged “**Unraveling the Potentials of Leadership**”, was organized for the South-West State Chapter Chairmen and their executive members. This event, was fully self-sponsored, had multiple objectives and the key ones are: (i) *sensitization of leaders on membership mentoring*; (ii). *building strategic structure for corporate membership management*; (iii) *development of strategies to bridge the gaps between academia and the industry players* and (iv). *Improvement of IT professionalism*. The event ended successfully with a charge to all SW State Chapters, to equally organize a program for their chapter members and the community at large.

Another leadership seminar also held with the theme ‘**Revitalizing the State Executive Elective Positions**’ aimed to ensure a reliable succession plan is in place, on expiration of the current tenure.

Every end of the year equally witnessed **A Wrap Up program**, where unachieved goals are tabled for discussions bothering on issues or challenges faced, and probable solutions, which could be applied to future activities.

### iii. Promotion Of IT Education

One of the key mandates of Nigeria Computer Society is to promote IT education, which equally, is in line with my vision. Training that aligned with emerging technologies and addressed in meeting up with global standards were strategically held. Listed are the training events with descriptions:

a. A virtual seminar on “**Staying Safe on the Internet**”, was organized by a consortium of leaders of State Chapters, whereby each Chairman had designated role. The event held virtually (*via Zoom*) in the month of June 2020, with about 315 participants from Nigeria, UK, USA, Korea, Malaysia and South Africa. Commendable feedback was received from the participants. A communique detailing guideline to keeping safe on the internet was released to the public and published on the NCS websites. At the end of this seminar, some participants were eager to be members of the society and they were assisted in processing their applications.

b. A three-day training titled **Building Your First Mobile App with Flutter** was held on the 19th to 21st of August 2022 with a pre-training held on the 12<sup>th</sup> of August 2022. The focus of this program was to enlighten the state executives on the strategies to deploy in organizing short-duration virtual programs and to train all participants on accountability. It should be noted that the income generated was shared with the six state chapters.

A leadership seminar was held titled **Reminiscing Your Leadership Vows to Becoming An Inspirational Leader**. A speaker was invited from the Oil & Gas industry to provide a different perspective to rendering service to the society. With participants spread across the country, it was a rewarding experience for all, particularly the state chapter leadership, to learn ways to keep the NCS flag flying in every domain. The meeting recordings and presentation packs / resources were shared with attendees on request.

### iv. Election of New States’ Executive Councils

I’m delighted to report the successful transition of offices in Ogun, Ekiti, Lagos, Oyo and Ondo State Chapters during my tenure. The inauguration ceremonies for these new executive members were held,

while the planning is already in progress, for Ondo and Ekiti State Chapters at the next International Conference. A lot of effort was put in place to encourage members to take on leadership roles in other state chapters especially the tenured ones.

**v. Sensitization of Graduates of Institutions for CPN Induction**

The office of Southwest State chapter was envisioned to expand the strength of graduate inductees to CPN by visitation to the institution induction ceremonies. There was a close monitoring of the already registered institutions for continuity most especially in Ogun State while Oyo State Chapter SEC also pursued this strategy by visitation to institutions within the state, for orientation of the students.

**vi. Activities in Each Chapter**

Activities within the state chapters have been stirred up, most especially the newly inaugurated state executive councils. These are well monitored to ensure they hold meetings regularly, going on advocacy visits, as well as having seminars, and other impactful programs that would enhance the growth of each chapter.

Confidently, two state chapters namely: Lagos and Oyo States, now have series of activities running compared to previous experience. This was made possible through the orientation and various engagements during my tenure.

On this note, I wish to humbly inform that during my first term in office, the Ogun State Chapter, laid the foundation of the secretariat building, which I was fully part. I can confidently report that the highest number of inducted fellows was presented by the Southwest zone during my tenure.

**Appreciation**

I wish to seize this opportunity to appreciate all past state chapter executive council members for their strong dedication, loyalty and commitment towards the achievements recorded during their tenure.

I equally appreciate all stakeholders that made the office worthwhile and made all the accomplishments possible. My deepest appreciation goes to the outgoing Deputy President, Dr. Aliyu Sirajo, for his unrelenting support during the period. It is my prayer that the performance of the next administration zonal coordinators would surpass mine.

Thank you everyone and God bless you!

**Up NCS! Up Nigeria!**

**eSigned**

**Prof. Bukola Onashoga, FNCS**

SW Zonal Coordinator (2021-2023)

**5.2 South-South Zonal Coordinator**

The South South Zone is made of 6 Chapters:

1. Akwa Ibom State
2. Bayelsa State
3. Cross River State

4. Delta State
5. Edo State
6. Rivers State
7. Akwa Ibom State

The Chapter is active and well constituted and has elected Executives led by Mr. Joseph David Okon as the Chapter Chairman.

#### Bayelsa State

Bayelsa State is not constituted and not active, inability for the members to come together made it difficult for even an interim executive to be constituted for the running of the Chapter. The contact person is Mr Josiah Onyesi.

#### Cross River State

Cross River State Chapter is not constituted and has been on an inactive Interim Executive led by Prince Ana. There are many registered members, though having the challenge of distance to be able to congregate. They still need more effort to get the Chapter active.

#### Delta State

The Chapter is active with very vibrant members led by Dr. F O. Aghware, but they are on Interim leadership and are to conduct an election to have a legally elected Executives.

#### Edo State

The Chapter has a well constituted Executives led by Professor Veronica Osubor FNCS and is active.

#### River State

River State Chapter is well constituted with an elected Executives led by Dr. Legborsi Emmanuel. This is one of the most active Chapter in the zone.

**The South-South Zone last year had an excitement by winning the National Whizzkids Competition.** That was by the representative from Akwa Ibom State

The zone is experiencing great improvement with the great support of the Deputy President: Dr. Muhammad Sirajo Aliyu FNCS. Some of the weaknesses also have been because of the lack of funds. The challenges standing against having more members and many members having good financial standing are still on the complain of not experiencing the benefits of NCS as other Professionals in their places of work do experience and they also use it as being the reason why they are not committed.

**Esang, Bassey O.** FNCS, MCPN, MNIM  
South-South Coordinator

### 5.3 North-East Zonal Coordinator Report

The Nigeria Computer Society (NCS) zoning followed that of the Nigeria's geo-political regions. Thus, the Northeast zone of the NCS comprises of six states, they are Adamawa, Bauchi, Borno, Gombe, Taraba and Yobe. By 2023 5 out of the 6 states are having substantive state chapters' executives and active. The remaining 1 state - Yobe is still having a caretaker committee (CTC) and not very active. The CTC in Yobe was given a maximum of 6 months to organize and conduct elections. Since, the coming of the zonal

leadership the focus have been on making the states chapter active and vibrant. The efforts made so far have yielded results as now all the 6 state chapters are brought on board.

### **Zonal Meeting.**

A zonal virtual meeting was held on Saturday 10<sup>th</sup> February 2023. Five states in attendance but Adamawa state was absent with apology. The States were asked to present their progress status and challenges. While responses were given by the Zonal coordinator and other Chapter Chairmen.

### **Adamawa State**

The NCS Adamawa state is now semi- active, substantive executives. The focused-on Membership drive and participation in zonal and national activities

### **Bauchi State**

The NCS Bauchi State chapter is active and vibrant. The chapter's Chairman and his Secretary were present at the zonal meeting and have reported their progress. The Chapter have been executing activities in its action plan ranging from membership drive, visitation to Government and private organization for NCS Advocacy, whiz kid competition and even that of conference hosting preparations. The chapter journey so far is very good and encouraging.

### **Borno State**

The NCS Borno state had its election 13<sup>th</sup> May 2023, which ushered a new substantive executive. The new EXCO are trying to gain ground and to come up with their Action Plans. Also, Membership drive is ongoing according to reports from the State Chapter. Prof Mustapha Momoh and his executives were returned as the new substantive leadership of the Chapter. They are reported to be preparing the action plan for the year.

### **Gombe State**

The NCS Gombe chapter is active and had its election which usher new set of leadership. The Gombe chapter been engaging with State Government and all other relevant organizations with the State. It has been organizing state programmes, congresses, public lectures both physical and virtual and have been participating in the National activities. It has setup committee for dues collection for the state chapter and that of the national. Other projects in the pipeline of the chapter's activities include state conference, Inter-primary ICT competition, coding and robotics boot camp etc.

### **Taraba State**

The NCS Taraba state is now active with substantive Executives which were inaugurated last year. The The state is trying but is faced by a number of challenges ranging from active participation of members. Membership drive is also ongoing according to reports State Chairman Abdulrasheed Babando who was present at the virtual zonal meeting.

### **Yobe State**

The NCS Yobe state is semi-active under an interim officials are given 6 months to organize and conduct elections to usher in new executives. Since their inauguration last year election is yet to be conducted. Membership drive should be pursued head-on. The reports was given by the interim committee's

chairman and his secretary. Engr. Abba Muhammad and Mal Ado Baba Jibrin who were present at the virtual zonal meeting.

### Conclusion

The NCS in the Northeastern zone is gaining strength and stronger and became relevant. As most chapters engaged in advocacy and membership drive to encourage IT stake holders that are yet to register with NCS to do so immediately. The 5 states in zone participated in the recently concluded Wizkids competition. The Chairmen of the state chapters presented several challenges surrounding membership registration fees, response for registration application and other communications by the National secretariat. They were reassured of the NEC backing and support for any challenge that is hindering the chapters from becoming vibrant. The Chairmen were urged to try to mobilize their members to come together and move their various chapters to forward.

## 6.0 REPORT FROM THE CHAPTERS

Activation of all dormant and inactive chapters in Nigeria

Recently the following state chapters came on board - Taraba, Adamawa, Enugu, Zamfara, Yobe, Ondo, Plateau, and Ebonyi. Some of them have conducted election and were newly inaugurated. This is in addition to the ones activated since the inception of this present administration.

Various State Chapters are really working hard and making meaningful impact in the growth of the Society and by extension the growth and development of IT and the Nation. I sincerely thank all State Chapters' Executives for their steadfastness, solidarity, and Commitment to our dear Society. Indeed, all Chapters have been repositioned.

**6.2 NCS Benue State Chapter's Reports**

**Introduction**

Permit us to start by appreciating Almighty God for being on our side since the last Conference/AGM. He has been so helpful all the way. Join us in thanking Him. May His name be praised forever. Amen.

We are pleased to present the Annual Report for the Nigeria Computer Society (NCS), Benue State Chapter, covering the period from August 2022 to June 2023. During this time, the Chapter made

significant progress in fulfilling its mission of promoting and advancing Information Technology (IT) Education and Practice in the State. This report aims to provide an overview of our activities, achievements, and progress made, as well as the challenges encountered during this period.

Indeed, the Nigeria Computer Society, Benue State Chapter has been a product of God's grace and favour since its inauguration in 2019. Over the years, we can say that we have grown from glory to glory, despite all odds.

### **Numerical Strength**

Currently, the Benue State Chapter has a numerical strength of about 257, out of which 69 are registered members at the State level, while the rest are nominal nonfinancial members identifying with the Chapter; some of these prospective members are however, currently processing their registration to be inaugurated at the 2023 Conference.

### **Achievements**

The NCS Benue State Chapter is on the verge of what we call, "Smart Leap"; we are preparing a soft ground for the future of our profession, especially, in Benue State. As such, we never take, with levity, any policy or project of the Society as forwarded to us from the national level. In this wise, we engage in several activities, among which we have highlighted below:

**Donation of an Office Space:** We are delighted to announce the generous donation of an office space by the Benue State Ministry of Energy, Science, and Technology, as a temporary secretariat for the NCS Benue State Chapter. This was officially unveiled on the 23rd of May, 2023. This valuable contribution provides us with a dedicated space to conduct our activities, hold meetings, and better serve our members and the IT community in Benue State. This is indeed one of the milestones surmounted. On this, we extend our sincere appreciation to the then Honorable Commissioner, Dr. Jane Ogoma Aja, for her support and foresight in facilitating this donation. Her commitment to fostering the growth of the IT sector in the State is evident in this gesture, and we are grateful for her continued partnership and encouragement.

**Monthly Webinar on IT:** As part of our commitment to fostering knowledge sharing and professional development, the Benue State Chapter of the Nigeria Computer Society organized monthly webinars on various topics related to information technology (IT). These webinars served as platforms for experts to share their knowledge and insights with our members and the wider IT community. The webinars covered a wide range of topics, including cybersecurity, artificial intelligence, data analytics, and emerging technologies. The response from our members and participants was overwhelmingly positive, with valuable interactions and knowledge exchange taking place during these sessions.

**Radio Programmes, Workshops and Seminars:** The Chapter is pleased to highlight the successful hosting of Radio talk programmes on Radio Benue (96.5 FM) and Benue TV as well as the organization of seminars and workshops during the reporting period. These educational events served as platforms for knowledge sharing, skill development, and networking among IT professionals and enthusiasts. The chapter conducted a series of talk shows, seminars, and workshops on various topics of interest to our members and the wider IT community. These sessions covered areas such as software development,

project management, data science, cloud computing, and emerging technologies. Renowned industry experts and experienced professionals (from within and without) were invited to deliver insightful presentations and facilitate interactive discussions. The seminars and workshops provided valuable learning opportunities, allowing participants to stay updated with the latest industry trends, acquire new skills, and enhance their professional capabilities. The feedback received from attendees was overwhelmingly positive, with many expressing their appreciation for the quality of the sessions and the relevance of the topics covered.

The Nigeria Computer Society, Benue State Chapter, remains committed to organizing impactful seminars and workshops that empower IT professionals and contribute to the growth of the IT ecosystem in our state. We will continue to collaborate with industry leaders, academic institutions, and other stakeholders to deliver engaging and informative events that address the evolving needs of our members. We express our gratitude to all the presenters, participants, and partners who made these seminars and workshops successful, and we look forward to organizing more of such events in the future.

**Monthly Physical Fitness Activities:** Recognizing the importance of maintaining a healthy lifestyle and work-life balance, the Benue State Chapter of NCS organized physical fitness activities for its members. These activities included group exercise sessions, walks, and sports events. The aim was to promote physical well-being, reduce stress, and encourage camaraderie among our members. The participation and enthusiasm shown by our members in these activities were commendable, and we witnessed improved overall well-being and a sense of community within our Chapter.

**Constitution of Committees:** The Chapter constituted and inaugurated five (5) Standing Committees as follows:

1. Strategy and Innovation Committee.
2. Membership and Ethics Committee.
3. Publicity Committee.
4. Social and Welfare Committee; and
5. Alliances & Linkages Committee.

To facilitate massive attendance and participation of our members at the 2023 NCS international conference, and for successful implementation of the TechMinds programme in the State, the Chapter constituted the following additional Committees:

1. 2023 NCS Conference Logistics Committee: This Committee is set up to facilitate massive attendance and participation of our members at the 2023 NCS International Conference at Bauchi State, Nigeria.
2. TechMinds Implementation Committee: This Committee has been constituted to ensure the successful implementation of the TechMinds programme initiated by current leadership of the Nigeria Computer Society. The Committee is to do this in collaboration with the relevant stakeholders. The Implementation Plan is currently being developed.

Establishment of NACOS in BSU: The Chapter has, in collaboration with the Department of Mathematics and Computer Science, established National Association of Computing Students (NACOS) at the Benue State University (BSU), Makurdi. This is in addition to the existing chapters.

**Registration of New Members:** During the reporting period, the Benue State Chapter of NCS has been able to successfully register some new members. The chapter implemented a proactive approach to attract IT professionals and enthusiasts, emphasizing the benefits of joining NCS, such as access to networking opportunities, professional development resources, and industry recognition. The influx of new members has strengthened our Chapter in terms of numerical strength and expanded our professional network, fostering collaboration and knowledge exchange among IT professionals in Benue State. These prospective members have been encouraged to complete their registration at the national level.

**Collaboration and Partnerships:** We are continuously assertive on establishing effective collaboration and partnerships with relevant stakeholders, including government bodies, educational institutions, industry players, and other professional associations in the State. Such collaborations are crucial for organizing joint initiatives, sharing resources, and creating a stronger IT ecosystem.

**Awareness through Social Media Handles:** We are now more active on all our social media handles (e.g. WhatsApp, Facebook, Instagram, Twitter, etc.).

**Challenges:**

Like any other organisation, the Chapter has encountered some challenges over the period of the report. They include:

- a. **Furnishing of Our Secretariat:** We are yet to furnish the office recently donated by the Benue State Ministry of Energy, Science, and Technology, as a temporary state secretariat. This is actually our concern.
- b. **Limited Awareness and Membership:** One of the primary challenges is the limited awareness and low membership base. Despite our aggressive and pragmatic approach to sensitizing the masses on the relevance of the Society as well as other IT-related matters, many IT professionals in Benue State seem not be aware of the Nigeria Computer Society or the benefits of joining the organization. Some are abruptly adamant to join the professional body. This attitude and lack of awareness hinders the growth and impact of the chapter.
- c. **Funding and Resources:** Insufficient funding and limited resources has really posed significant challenges for the Chapter over the reported period. Organizing events, seminars, workshops, and other activities require financial resources, and without adequate funding, it becomes difficult to execute such programmes effectively. Hence, we want to state categorically that, the Chapter is battling with ways of sourcing funds to execute our programmes/projects. We really need funding supports and counsel.
- d. **State Permanent Secretariat:** While we celebrate the offer of an office space recently donated by a state ministry, the need for support of the Chapter for the permanent Secretariat of our own within the State headquarters is still imminent, as the donated office is but a temporary Secretariat. We need our own gigantic structure as State Secretariat, where several activities desire to run can take place, like other professional bodies or even better than theirs. Therefore, we implore the government, corporate organizations and our members as well as other willing individuals and partners (from within and without) to support the Society in any way possible goading at accomplishing this.

- e. **Policy Influence and Advocacy:** Influencing policies and advocating for the interests of IT professionals and the IT industry in Benue State has been challenging. Engaging with government bodies and policymakers to highlight the importance of IT and its impact on the state's development requires a strategic approach and consistent efforts. We need the intervention of the NCS National Executive Council (NEC) in addressing the State Government to listen to the plights of the IT professionals in the State through accommodative policies.
- f. **Membership Engagement and Participation:** Despite encouraging active engagement and participation from members, most of our Chapter members have very poor attitude toward participation in NCS activities. This is evident in poor turnout at NCS Programmes. Nevertheless, we have noted that, sustaining member interest, organizing regular meetings, and fostering a sense of community within the chapter require dedicated efforts to create a supportive and inclusive environment. Hence, we are working towards improvement on this.

**State Website:** The NCS Benue State website is currently down. As we work outing it up again, we need hosting support.

**The Way Forward:** Addressing the above challenges requires concerted efforts from the Chapter's leadership, members, relevant stakeholders, and most importantly support/backup from the national leadership. By raising awareness, seeking funding opportunities, fostering collaborations, and advocating for the interests of IT professionals, the Benue State Chapter of the Nigeria Computer Society can overcome these challenges and make a significant impact on the IT landscape in the state.

**Development Document:** The Chapter has developed an IT Development Document for the State Government tagged, "A Digital Benue is Possible: IT Development Document for a New Benue of Our Dream". While the document took a tour through highlighting the current state of IT in the State, it outlines key recommendations from the Nigeria Computer Society (NCS), Benue State Chapter, for the development and advancement of information technology in Benue State. With the vision of creating a Digital Benue, these recommendations focus on the appointment of a core IT professional as to head IT establishments in the State, establishment of Information Technology Development Agency (BITDA), the creation of IT Skills Acquisition Centers, mandatory IT training for civil servants, registration of civil servants with the professional body, sponsorship of civil servants to IT conferences, and support for a permanent secretariat for the NCS Benue State Chapter within the State capital, Makurdi.

**Establishment of NACOS:** The Chapter plans to establish more Chapters of the NACOS across the tertiary institutions in the State. This is to ensure that the upcoming IT professionals (the undergraduate students) learn the codes and ethics of professional practice, even while they are still studying.

**Tech Expo/Exhibition:** We have developed a proposal for a Tech Expo/Exhibition, powered by NCS Benue State Chapter, in collaboration with the Eunice Spring of Life (ESL) Foundation, an NGO based in the State. The project is targeted at reawakening the sleeping giants in the younger/upcoming generation in the State. It hopes to feature primary pupils, as well as secondary and tertiary students in IT Quizzes and Tech Exhibitions in different categories with rally and grand finale where awards are proposed to be given to winners and runners up. This is yet to be implemented.

**Reactivation of The Benue e-Voice:** Benue e-Voice is a monthly magazine of the Chapter which has been enriched to make IT more informative and educational. We must ensure to review its operation.

**National Recognition/Awards of Contracts:** We feel that the body would be more recognized and its members command higher respect when all arms of the government enforce all the IT professionals working with them to be registered members. With this, regular trainings are offered to their employees in the IT profession. Government contracts should also be made to be awarded to only the registered members.

**Death of our Former Chairman, Late Dr. Simon Terungwa Yange:** It is with deep sadness that we must also acknowledge the passing of our former Chairman, Dr. Simon Terungwa Yange, during the reporting period. Dr. Yange, whose demise occurred on the 7th of November 2022, was a visionary leader and a dedicated advocate for the advancement of information technology in Benue State. His contributions to the Nigeria Computer Society and the Benue State Chapter were invaluable, and his loss is deeply felt by the entire IT community. He played a significant role in shaping the direction of our chapter and was instrumental in driving its growth and success. Dr. Simon Yange's leadership and passion for the field of IT will be remembered and cherished. We extend our heartfelt gratitude to the NCS President and the NEC for role played during his burial/funeral. Our heartfelt condolences to his family, friends, colleagues, and the Society at large.

As we reflect on his legacy, we are reminded of the importance of continuing the work he started. Dr. Simon Yange's commitment to excellence and his dedication to the IT community will continue to inspire us as we strive to carry forward his vision. As a Society, we say, may his soul continue to rest in peace.

### **Conclusion /Suggestions**

The Nigeria Computer Society, Benue State Chapter, has made significant strides in promoting IT knowledge, fostering physical fitness, organizing committees for important initiatives, and expanding its membership base. We extend our gratitude to all our members, volunteers, and partners for their contributions and support during this period. We look forward to continuing our efforts in advancing the IT field, promoting professional growth, and serving as a platform for collaboration and innovation.

While we pledge our readiness to continually collaborate with the National Executive, we request all the people in the IT profession to identify with 'their own' (I mean the professional body, NCS and CPN). "Help your IT brother/sister to succeed". This is the only way to collaboratively show professionalism in what you do. There are several benefits to this.

While always counting on your continuous unflinching support, we assure you that this present State Executive will continue to work assiduously towards taking this Society to enviable heights. Thanks, and God bless you all. God bless NCS Benue State Chapter. God bless Benue State. God bless the Nigeria Computer Society. God bless Nigeria.

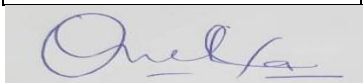

For: NCS Benue State Chapter

**Mrs. Grace Erdoo Ateata**, mnscs, cpn - Chairperson

**Amb. Prince A. N. Eru**, mnscs - General Secretary.

## 6.5 NCS Imo State Chapter's Reports:

### Present Executives:

**Chairman:** Mr. Chidiebere Ugwuegbulam

**Secretary:** Mr. Kelechi Onyemachi

**Treasurer:** Mrs. Bertrand Chidi

**Publicity Secretary:** Dr. Fransisca Nwokoma

Two major activities of the chapter:

**Imo Technology Summit:** The theme of the event is "Advancing Technology for Sustainable Transformation and Wealth Creation", during the year Featuring Keynote Addresses on emerging technologies, Hackathon and Research workshop. This state-wide event has participants from the Ministry of Science and Technology, Imo State, Computing Departments of Higher Institutions in the state and tech Hubs. It took place from 22nd to 25th April, 2023 at Heroes Bend Hotel, Owerri.

**Workshop in Advance Data Management using Excel:** This event took place at Federal Polytechnic Nekede on 16/02/2023 and attracted 89 from the five (5) higher Institutions in Imo State. The workshop covers worksheet automation, If Statement (and other Logics), Data validation, Data Visualization, data Security and more.

**Finance:**

**Income for the Year:** N1,037,000

**Expenses for the Year:** N910,000

**Challenges during the year:**

Our members are from the academia. The long ASUU strike affected our activities. Inadequate support from the State government affects us financially as there is no Companies in Imo State, except hotels and Fuel stations.

**Chapters’ Membership Strength:**

The chapter has over a hundred registered members but some are inactive. The current active members are 80. The Chapter has made two innovation introductions namely: Chapter ID Card and Corporate Email Address.

**Other Information:**

The Chapter Introduced ID card to members, and this has helped revive interest of members, and attract new members from the industry.

The cooperate email address from chapter website is also a prestigious identity for members, which can help them gain some recognition in certain online platforms. The format of the email address is: FirstName.Lastname@imoncs.org.ng.

The chapter suggests that NEC can consider implementing these at national level as this can interest members nation-wide.

We also request that the NEC feature some of our members in committees, especially during the National conferences, as this will encourage more participation from the Chapter.

At the same time Received Introductory Visit from the new NACOS Abia State Polytechnic, Aba Executives. The Exco prayed for the NCS President to reopen the Students palliative membership registration fee discount window to enable them and other students fulfilled their wishes of become NCS members on graduation for their programme.</li> </ul>
Finance:	<p>Income for the Year: <del>₦</del>52,500.00 (Personal donations from members)</p> <p>Expenses for the Year: <del>₦</del>48,000 (Hosting of meetings/Events)</p> <p>Closing Balance: <del>₦</del>4,500.00</p>
Challenges during the year 2023	<ul style="list-style-type: none"> <li>· Very meagre finances to carry out reasonable IT events and projects</li> <li>· Lack of Office accommodation/Secretariat.</li> <li>· No Funding, Sponsorship and support.</li> <li>· Lack of Member's recognition &amp; proper placement by government ministries/agencies.</li> <li>· Poor sponsorship of Members by employers to NC S activities.</li> <li>· Lack of IT Infrastructures in the State</li> <li>· Difficulty in convincing IT related professionals to register with the Society and mostly due to the cost implication.</li> <li>· Most of the old members still owe backlog of annual dues which is discouraging them from participating in our activities.</li> <li>· In view of the enormous task of resuscitating the chapter, Some of our members are lacking interest due to wrong Membership status placement profile at the National Secretariat level.</li> </ul>
Chapter's Membership Strength	<p>26 Active Members</p> <p>44 Inactive Members</p> <p>Total: 70 (Membership Strength)</p>
Other Information (Official	Considering the high indebtedness of most members in the state,

Visits)	arising mainly from our many years of inactiveness, the Chapter is praying for partial debt relieve /forgiveness for members. This will serve as a big boost in bringing back the old members. The Chapter seriously needs logistic support and financing.

tomi O.  
Secretary

### 7.0 Secretariat Reports

#### 7.1 IT Infrastructure

Within the year, the Secretariat have been empowered by the current administration with necessary tools including new laptops to improve on the operations and productivity. Internet connectivity was upgraded, and the Secretariat now have steady access to the internet to ease operations and communication with members.

Members can now easily access the Membership Portal to update profiles, make payment of annual levies and registration for events. In addition, the Membership Portal is now fully integrated with the Secretariat Account Applications which make operation seamless.

Online Membership application is simplified, and prospective members now applies online with little or no challenges.

### 7.2 Corporate Support

One of the major goals of NCS is to run an inclusive and robust society. NCS is currently working towards bringing all the small IT bodies to come under Nigeria Computer Society. Realistic strategies are also in place to capture individuals and organisations practicing IT in the country without being under NCS.

The below are amongst the organisations the NEC visited for membership drive and collaboration in our annual activities:

First Bank of Nigeria Ltd, Nigerian Internet Registration Association (NIRA), Nigerian Financial Intelligence Unit (NFIU), National Population Commission (NPC), Sterling Bank, Wema Bank, Guaranty Trust Bank, QrPurse, HealthPlus, Nigeria Breweries, Glinag Digital, Unified Payment Services, CyberSafe Foundation, Interswitch Group, The Norrenberger Financial Group, GSK Nigeria, Tek Expert, Keystone Bank, Disaster Recovery Technologies Ltd, GrowSyn Ltd, CicoServe Payments Ltd, Cass Business School, Infostrategy Technology, Standard Bank Group, Industrial Training Fund, Flutterwave, Xpress Payment, Rack Centre, Africa Data Center, Uniccon Group of Company, Broadshift Technology Industrial Training Fund (ITF), Ministry of Science and Technology, Bluechip Technology, Unitellas International Ltd.

With about Two thousand, five hundred (2500) membership applications yearly, the membership strategy yields result.

The current National Executive Council of NCS has also resuscitated the Society's membership with International Federation for Information Processing (IFIP) and British Computer Society (BCS).

NCS is also working with other Presidents of IT bodies in Africa to form unity. Society of Kenya, ICT Association of Malawi etc. have participated in some of NCS events.

### 7.3 Current activities of Nigeria Computer Society (NCS)

**NCS** as a body has been consistently developing and promoting the adoption of emerging technologies for enhancing national development. Series of activities and programmes are organised annually. In the year under review, the following are the programmes organised:

S/N	EVENT	DATE
1	Technology Innovation Development (TIDP) Booth camp 1 - sponsored by Chief Dr. Leo Stan Ekeh/Zinox Technologies Ltd	September 5-9, 2022
2	Artificial Intelligence & Data Science for Smart Business Management Workshop	October 4-6, 2022
3	National Information Technology Merit Awards (NITMA)	November 24, 2022
4	2 <sup>nd</sup> Technology -Enhanced Learning/ Computing Education Forum	January 25 2023

5	2 <sup>nd</sup> Artificial Intelligence & Robotics Summit (in collaboration with Plateau State Government)	March 21-23, 2023
6	Launching of Tech-Minds to develop Tech Prodigies	April 17, 2023
7	4 <sup>th</sup> Nation's Cybersecurity Forum & Workshop	May 10-12, 2023
8	Technology Innovation Development (TIDP) Booth camp 2 – Sponsored by Chief Dr. Leo Stan Ekeh/Zinox Technologies Ltd	June 20-22, 2023
9	Leadership Workshop in collaboration with Sir 'Demola Aladekomo/SmartCity Plc	June 23, 2023
10	Presentation and Launching of Innovative Products (TIDP products)	July 14, 2023

## **7.5 Conclusion**

I deeply appreciate all members of National Executive Council for their supports in the last one year. I thank them for their unusual commitments, dedication, robust and matured deliberations and decisions. Election has created a little issue but we should work together to move the society forward.

I commend the uncommon love that all members have continued to exhibit to our dear society. I also thank the entire Secretariat staff for their encouraging team spirit and immeasurable sacrifices all times. May almighty God reward you abundantly.

Distinguished Ladies and Gentlemen of the IT profession, I remain grateful to you for being there for us. I thank you all for your support, cooperation, dedication, and commitment to our great Society.

God bless you all.

'Segun Adekunle FNCS  
Executive Secretary.

# REPORT OF NCS AUDIT COMMITTEE

## FOR THE YEAR ENDED 30 APRIL 2023

### To Members of the Nigeria Computer Society

In compliance with requirements of the Constitution of the Nigeria Computer Society, we confirm the under-listed in line with documents and information availed us by the Executive Secretary:

That the scope of work carried out by the External Auditors during the audit of the Society's accounts for the financial year ended 30 April 2023 was adequate and satisfactory.

That the External Auditors were independent and objective in conducting the review of the accounts for the period ended 30 April 2023.

To the best of our knowledge, the External Auditors were not engaged by the Secretariat of the Nigeria Compute Society for any non-audit assignment neither was any payment made to that effect during the accounting year ended 30 April 2023.

Shulammitte Ayobami Ilebiyi, FCCA, FNCS  
**Chairman, Audit Committee**

July 25, 2023

### Members of the Audit Committee are:

Mrs Shulammitte Ayobami Ilebiyi FNCS	Chairman
Olorogun James Emadoye FNCS	Member
Dr. Charles Onyeukwu FNCS	Member
Mr. Abimbola A. Olayinka FNCS	Member
Dr Yele Okeremi FNCS	Member
Mrs Evelyn Yayock MNCS	Member

## **MANAGEMENTS' RESPONSIBILITIES AND APPROVAL**

The managements are required in terms of the Companies and Allied Matters Act of Nigeria CAP C20 LFN 2014 to maintain adequate accounting records and are responsible for the content and integrity of the financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the society as at the end of the financial year and the result of its operations and cash flows for the period, thus ended in conformity with international financial reporting Standards. The external auditors are engaged to express an independent opinion on the financial statements.

Financial statements are prepared in accordance with International Financial Reporting Standards and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgment and estimates.

The Managements acknowledge that they are ultimately responsible for the systems of internal control established by the Association and place considerable importance on maintaining a strong control environment to enable the managements to meet these responsibilities. The council sets standards for internal control aimed at reducing the risk of errors or loss in a cost of ineffective manner. The standard includes proper delegation of responsibilities within a clearly define framework, effective accounting procedures and adequate segregation of duties to ensure an acceptance level of risk.

These controls are maintained throughout the Association and all employees are required to maintain the highest ethical standard ensuring the society's business is conducted in a manner that in all reasonable circumstances is above approach. The focus of risk management in the society is in identifying, assessing, and managing all known forms of risk across the association. While operating risk cannot be fully eliminated, the society endeavors to minimize it by ensuring that appropriate infrastructure, controls, systems and ethical behavior are applied and managed within predetermined procedure and constraint.

The managements are of the opinion, based on the information and explanation given by management that the system of internal control provides reasonable assurance that the financial records maybe relied on for the preparation of the financial statements. However, any system of internal control can provide only reasonable and not absolute assurance against material misstatement or loss.

The managements have reviewed the society's cash flow for the year ended 30<sup>th</sup> April, 2023 and in the light of this view and the current financial position, they are satisfied that the association

has or has access to adequate resources to continue in operational existence or the foreseeable future.

The external auditors are responsible for independent review and report on the association's financial statements. The financial statements have been examined by the society's external auditors and their report is presented on 8 to 28.

The financial statements set out on page 8 to 28 which have been prepared on the going concern basis were approved by the National Executive Council (NEC) on 20<sup>th</sup> July, 2023 and were signed on its behalf by:

.....  
Professor Simon Adesina Sodiya FNCS  
**President**

.....  
Mr. Adesegun Adekunle FNCS

25<sup>TH</sup> JULY, 2023

## **REPORT OF THE INDEPENDENT AUDITORS TO MEMBERS OF NIGERIA COMPUTER SOCIETY**

### **Opinions**

We have audited the financial statements of **NIGERIA COMPUTER SOCIETY**, which comprises of the statement of financial position as at 30<sup>th</sup> April, 2023, statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies. In our opinion, the financial statements give a true and fair view of the financial position of **NIGERIA COMPUTER SOCIETY** as at 30<sup>th</sup> April, 2023 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS), the provisions of the Companies and Allied Matters Act, 2020 and in compliance with the Financial Reporting Council of Nigeria Act, No 6, 2011.

### **Basis of Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the International Code of Ethics for professional Accountants (including International Independent Standards) (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Nigeria, and we have fulfilled all ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

### **Responsibilities of the Council for the financial statements**

The council is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standard, the provisions of the Companies and Allied Matters Act, 2020 and in compliance with the Financial Reporting Council of Nigeria Act, No 6, 2011, and for such internal control as the councils determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the council is responsible for assessing the society's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the council either intend to liquidate the society or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

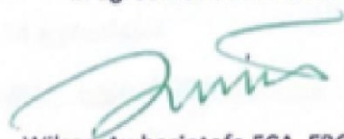

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtained audit evidence that is sufficient and appropriate to provide a basis of our opinion.
- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing opinion on the effectiveness of the company's internal control.
- Evaluated the appropriateness of the council's policies used and the reasonableness of accounting estimates and related disclosures made by the councils.
- Evaluated the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair representation.

We communicate with the council's regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Report on other legal and regulatory requirements.**

In accordance with the requirement of the Fifth schedule of the Companies and Allied Matters Act, 2020, we confirm that:

- i. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of audit.
- ii. In our opinion, proper books of account have been kept by the company so far as appear from the examination of those books.
- iii. The statement of financial position and profit or loss and other comprehensive income are in agreement with the books of account.

**NIGERIA COMPUTER SOCIETY**  
**Audited financial statements as at 30<sup>th</sup> April, 2022**

**NOTES TO THE FINANCIAL STATEMENT**

**1. General Information**

Nigeria Computer Society (the Association) was incorporated in Nigeria on 15<sup>th</sup> July, 1996 as an association and commenced operation as NGO. Its registered office address is Plot 10, Otunba Jobi Fele way, Alausa, Ikeja, Lagos.

The Association principal activities include information technology.

To promote the education and training of computer and information scientist, computer engineers, information architects and information technology and systems professional.

To actively encourage research in the advancement of computer and information science, information technology and system, practice and disseminate result of scientific work carried out in industry, military and education sectors.

To advice members, government, other competent authorities and the general public on matters affecting the computing, information and systems technology industry.

**2. Going concern status**

The society council has made an assessment of its liability to continue as a going concern and is satisfied that the society has the resources to continue in business for the foreseeable future. Furthermore, council is not aware of any material uncertainties that may cast significant doubt upon the association ability to continue as a going concern. Therefore, the financial statements are prepared on the going concern basis.

**3. Significant accounting policies.**

**3.1 Statement of compliance with IFRSs**

The financial statements are prepared and presented in accordance with, and comply with International Financial Reporting Standards (IFRS) and International Reporting Interpretations Committee (IFRIC) interpretations issued and effective at the time of preparing these statements. In the preparation of these financial statements, the provisions of IFRS 1- First-time Adoption of International Financial Reporting Standards have been applied.

**3.2 Basis of preparation**

The financial statements have been prepared on the historical cost basis except for financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets.

**3.3 Revenue recognition**

Revenue is measured as the fair value of the consideration received or receivable and represents amounts receivable from members, individual personalities and other corporate organizations.

### **3.3.1 Membership Subscriptions**

Revenue from the sale of goods is recognized when the goods are delivered and titles have passed, at which time all the following conditions are satisfied.

### **3.3.2 Dividend and interest revenue**

Dividend income from investments is recognized when the shareholders' rights to receive payment have been established (provided that it is probable that the economic benefits will flow to the company and the amount of revenue can be measured reliably).

### **3.4 Foreign Currency translations**

For the purpose of these financial statements, the results and financial position of the society are expressed in Naira, which is the functional currency of the society, and the presentation currency for the financial statements. The functional and presentation currency was determined by the Members at the Annual general meeting (AGM) and this is explicitly documented in the accounting policies manual approved by the council.

In preparing the financial statements of the society, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing on the dates of the transactions. At each reporting date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing at the date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognized in profit or loss in the period in which they arise except for:

- Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;

- Exchange differences on transactions entered into in order to hedge certain foreign currency risks.

- Exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation). Which are recognized initially in other comprehensive income and reclassified from equity to profit or loss on repayment of the monetary items.

### **3.5 Pensions and other post-employment benefits**

The society operates a defined contribution based retirement benefit scheme for its staff, in accordance with the Pension Reform Act 2004 with employee contributing 8% and employer contributing 10% each of the employee's relevant emoluments. Payments to defined contribution retirement benefit plans are recognized as an expenses when employees have rendered the service entitling them to the contributions.

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at the end of each reporting period. Actuarial gains and losses are recognized in full in other comprehensive income and all past service costs are recognized immediately in profit or loss.

### **3.6 Property, plant and equipment.**

Land and building, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairments. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent cost is included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the society and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to profit or loss during the financial period in which it is incurred.

Depreciation on property, plant and Machinery, vehicles, furniture and equipment is calculated on a straight-line basis at rates deemed appropriate to write off the cost of the assets to their residual values over their expected useful lives.

#### **Freehold land is not depreciated.**

Depreciation is recognized so as to write off the cost or valuation of assets (other than land and properties under construction) less their residual values over their useful lives, using the straight-line method, on the following bases:

	Years
Lands and Buildings	Nil
Plants and Machinery	5 years
Motor Vehicles	4 years
Furniture and fittings	10 years
Computers and Equipment	10 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Losses or gains on disposals of fixed assets are determined by comparing proceeds with the carrying amounts. These losses or gains are included in profit or loss.

Properties in the course of construction (capital work-in progress) are carried at cost, less any recognized impairment losses. Cost includes professional fees and for qualifying assets, borrowing costs capitalized in accordance with the society accounting policy.

### **3.7 Impairment of tangible and intangible assets excluding goodwill and financial assets.**

At the end of each reporting period, the Association reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the cash generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets for which the estimates of future cash flow have not been adjusted.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

An impairment loss is recognized immediately in the income statement, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease subject to the available surplus in the revaluation reserve.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in

prior years. A reversal of an impairment loss is recognized immediately in the income statement, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as revaluation increase.

### **3.8 Inventories**

Inventories are stated in the financial statements at the lower of cost and net realizable value.

### **3.9 Trade payables**

Trade payables are held at amortized cost which equates to nominal value. Long-term payables are discounted where the effect is material.

### **3.10 Cash and cash equivalents**

Cash and cash equivalents comprise cash in hand, current balances with banks and similar institutions and highly liquid investments generally with maturities of three months or less. They are readily convertible into known amounts of cash and have insignificant risk of changes in value.

### **3.11 Provisions**

Provisions are recognized when the society has a present obligation (legal or constructive) as a result of a past event, it is probable that the society will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

### **3.12 Financial instruments**

Financial assets and financial liabilities are recognized when the society becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on

initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the income statement.

### **3.12.1 Financial assets**

The Association financial assets are classified into available for sale (AFS) and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

#### **3.12.1.1 Available-for-sale financial assets (AFS financial assets)**

AFS financial assets are non-derivatives that are either designated as AFS or are not classified as (a) loans and receivables (b) held-to-maturity investments or (c) financial assets at fair value through profit or loss.

Listed equities held by the Association that are traded in an active market are classified as AFS and are stated at fair value at the end of each reporting period. Changes in the carrying amount of available-for-sale financial assets are recognized in other comprehensive income and accumulated under the heading of fair value reserve. When the investment is disposed of or is determined to be impaired, the cumulative gain or loss previously accumulated in the fair value reserve is reclassified to profit or loss.

Dividends on AFS equity instruments are recognized in the income statement when the society right to receive dividends is established.

The fair value of AFS monetary financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate prevailing at the end of the reporting period. The foreign exchange gains and losses that are recognized in profit or loss are determined based on the amortized cost of the monetary asset.

#### **3.12.1.2 Loans and receivables**

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Loans and receivables include 'trade and other receivables' and 'cash and cash equivalents' in the statement of financial position which are measured at amortized cost using the effective interest method, less any impairment.

#### **3.12.1.3 Impairments of financial assets**

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of financial asset, the estimated future cash flows of the investment have been affected.

For AFS equity investments, a significant or prolonged decline in the fair value of the security below its cost is considered to be objective evidence of impairment.

For all other financial assets, objective evidence of impairment could include:

- \* Significant financial difficulty of the issuer or counterparty; or
- \* Breach of contract, such as a default or delinquency in interest or principal payments; or
- \* It is becoming probable that the borrower will enter bankruptcy or financial re-organization,

OR

- \* The disappearance of an active market for that financial asset because of financial difficulties.

For certain categories of financial assets, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis.

Objective evidence of impairment for a portion of receivables could include the society past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 30 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortized cost, the amount of the impairment loss recognized is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the rate financial asset's original effective interest rate.

For financial assets carried at cost, the amount of the impairment loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the current market rate of return for a similar financial asset.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognized in the income statement.

When an AFS financial asset is considered to be impaired, cumulative gains or losses previously recognized in other comprehensive income are reclassified to profit or loss in the period.

For financial assets measured at amortized cost, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortized cost would have been had the impairment been recognized.

In respect of AFS equity securities, impairment losses previously recognized in profit or loss are not reversed through profit or loss. Any increase in fair value subsequent to an impairment loss is recognized in other comprehensive income and accumulated under the heading of investments revaluation reserve. In respect of AFS debt securities, impairment losses are subsequently reversed through profit or loss if an increase in the fair value of the investment can be objectively related to an event occurring after the recognition of the impairment loss.

#### **3.12.1.4 Derecognition of financial assets**

The society derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

If the society neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the society recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the society retains substantially all the risks and rewards of ownership of a transferred asset, the society continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On the derecognition of a financial asset in its entirety, the difference between asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income accumulated in equity is recognized in profit or loss.

On derecognition of financial asset other than in its entirety (e.g. when the society retains an option to repurchase part of a transferred asset), the society allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer.

The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in profit or loss. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

### **3.13 Financial liabilities and equity**

#### **3.13.1 Classification as debt or equity**

Debt and equity instruments issued by the society are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### **3.13.2 Financial liabilities**

Financial liabilities are classified as 'other financial liabilities'.

#### **4.13.2.1 Other financial liabilities**

Other financial liabilities (including borrowings and trade and other payables) are initially measured at fair value. Subsequently they are measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

##### **3.13.2.1 Other financial liabilities**

Other financial liabilities (including borrowings and trade and other payables) are initially measured at fair value. Subsequently they are measured at amortized cost using the effective interest method.

The effective interest method is method of calculating the amortized cost of a financial liability and of allocating interest expense over relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

##### **3.13.2.2 Derecognition of Financial liabilities**

The society derecognizes financial liabilities when, and only when, the society obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognized and the consideration paid and payable is recognized in statement of comprehensive income.

- 4. Critical accounting judgments and key sources of estimation uncertainty.** In the application of the society accounting policies, which are described in note 4, the council are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the critical judgments and estimates that the council made in the process of applying the society accounting policies and that have the most significant effect on the amounts recognized in the financial statements.

#### **4.1 Property, plant and equipment**

The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. Increasing an asset's expected life or its residual value would result in the reduced depreciation charge in the statement of comprehensive income. The useful lives and residual values of the property, plant and equipment are determined by council based on historical experience as well as anticipation of future events and circumstances which may impact their useful lives.

#### **4.2 Provision for retirement benefit obligations**

The society operates an unfunded defined benefit scheme which entitles staff that put in a minimum qualifying working period of five years to gratuity upon leaving the employment of the society. IAS 19 requires the application of the Projected Unit Credit Method for actuarial valuations.

Actual measurements involve the making of several demographic projections regarding mortality rates of employee turnover etc. and financial projections in the area of future salaries and benefit levels, discount rate, inflation etc.

# **REPORTS OF AUDIT COMMITTEE**

## **REPORT OF NCS AUDIT COMMITTEE**

*For The Year Ended 30 April 2023*

### **To Members of the Nigeria Computer Society**

In compliance with requirements of the Constitution of the Nigeria Computer Society, we confirm the under-listed in line with documents and information availed us by the Executive Secretary:

That the scope of work carried out by the External Auditors during the audit of the Society's accounts for the financial year ended 30 April 2022 was adequate and satisfactory.

That the External Auditors were independent and objective in conducting the review of the accounts for the period ended 30 April 2023.

To the best of our knowledge, the External Auditors were not engaged by the Secretariat of the Nigeria Compute Society for any non-audit assignment neither was any payment made to that effect during the accounting year ended 30 April 2023.

Shulammitte Ayobami Ilebiyi, FCCA, FNCS

**Chairman, Audit Committee**

July 25, 2023

### **Members of the Audit Committee are:**

Mrs Shulammitte Ayobami Ilebiyi FNCS	Chairman
Olorogun James Emadoye FNCS	Member
Dr. Charles Onyeukwu FNCS	Member
Mr. Abimbola A. Olayinka FNCS	Member
Dr Yele Okeremi FNCS	Member
Mrs Evelyn Yayock MNCS	Member

### **In attendance:**

Mr Goke Akinpelu	Secretary
