Dear Chairman,

**WITHDRAWAL FROM THE CONTEST OF NORTHWEST ZONE
COORDINATOR POSITION**

I hope this letter finds you in good health and high spirits. I am writing to officially inform you of my decision to withdraw my candidacy for the position of Northwest Coordinator of the Nigeria Computer Society.

After careful consideration and introspection, I have come to the realization that it is in the best interest of the organization and its members that I step back from the contest. While I am passionate about contributing to the growth and advancement of the Nigeria Computer Society, unforeseen personal and professional commitments have arisen that require my undivided attention at this time.

I deeply appreciate the opportunity to participate in the electoral process and to have been considered for such a significant role within the NCS. It was an honor to be part of this esteemed contest and to interact with fellow enthusiastic members of the society.

Although I must withdraw from the race, my commitment to the goals and ideals of the Nigeria Computer Society remains unwavering. I will continue to support and contribute to the society's initiatives in any way possible, even outside of this particular leadership position.

Please accept my sincere apologies for any inconvenience my withdrawal may cause. I trust in the electoral committee's capability to conduct a fair and successful election, and I wish all the candidates the best of luck in their endeavors.

Thank you once again for your understanding. If there is any formal procedure or documentation required for my withdrawal, kindly inform me, and I will comply promptly.

I wish you a successful electoral process and look forward to the continued progress of the Nigeria Computer Society.

Sincerely,
