

Poster Paper Guidelines

Authors are required to submit a poster paper. Poster papers should be a maximum of four pages, clearly describing the research questions addressed and their contributions to knowledge.

The format for the poster paper should be as follows:

- Topic:** A short title.
- Abstract:** The abstract is a short description of your poster.
- Introduction** — What was the intent or goal of the study? What did you want to learn? What was the problem and why was it important?
- Related Works** — What knowledge are you building on?
- Method** — What was the design/architecture/conceptual framework? What was the sample? What instruments were used? How was data collected and analyzed?
- Discussions and Results** — What were the findings?
- Conclusion and Future Works**— What do the findings mean and future works?

Draft posters will be requested after the acceptance of poster paper. All submissions will be reviewed by a panel of experts.
